University of Hawaii at Mānoa Sexual Assault Task Force

Who We Are

The University of Hawai‘i at Mānoa Sexual Assault Task Force (SATF) was established in 2003. In 2006, the SATF was recognized as a formal advisory group to the Mānoa Chancellor’s Office. SATF’s primary purpose is to ensure improved victim services and perpetrator accountability for UH Mānoa students. SATF members are directors/coordinators from the Office of the Vice Chancellor for Students, Campus Security, Office of Judicial Affairs, Counseling and Student Development Center, Women’s Center, Office of the Gender Equity Specialist, Student Housing Services, University Health Services and the PAU (Prevention, Awareness, Understanding) Violence Against Women Program. The primary mission of the SATF is to provide victim centered response and services.

What We Do

The SATF meets monthly for case review and policy and protocol review. Our coordinated response allows us to provide student victims of interpersonal violence with crisis counseling, safer housing options, assistance with academic issues, assistance with appropriate medical care, advocacy in reporting crimes and appropriate referrals to on- and off-campus services. Our responses address perpetrator accountability and improved safety on campus by issuing crime alerts, implementing trespass bans, initiating investigations and adjudicating conduct code violations.
