Transcripts must be uploaded by March 1, 2017 in order to be included with your application. Please be aware that uploading your transcripts in this system is for scholarship purposes only and will not satisfy a request for transcripts by any other UH office.

 - Students with 0-12 college credits:
 - If you have 0- 12 college credits completed at any UH campus, please upload your high school transcript and any previous college/university transcripts, if applicable. If your high school will not release a copy directly to you, then please have it sent directly to the UH System Financial Aid Office at 2444 Dole Street, Bachman Annex 9, Room 5, Honolulu, HI 96822. If you attended more than one high school, please request/upload a transcript from each of the high schools.
 - Students with > 12 college credits:
 - If you have 12 or more credits completed at one or more UH campus(es) only (no other colleges/universities), no transcript is necessary to be considered for scholarships because all of your grades are already available to the scholarship committee.
 - If you have 12 or more college credits not completed solely at one or more UH campus(es), please upload your college/university transcript(s). Note that no high school transcript is necessary, but if you attended more than one college or university, you will need to request a transcript from each college/university that you attended (including UH campuses).
