International Student Data, Fall 2014

Enrolled Students:
This Fact Sheet includes summary data for international students with the F-1 or J-1 student visa who are enrolled in fulltime programs of study. It provides selected details on degree-seeking undergraduate and graduate students, as well as non-degree students (i.e., visiting exchange students attending the UHM for a semester or enrolled in other non-degree programs.) All students holding the F-1 visa at UHM are sponsored by the UHM. However, J-1 students are sponsored by various organizations, as noted below. Not included in the Fact Sheet are foreign citizens enrolled at UHM with a nonstudent visa status.

Student Visa-holders not enrolled:
Also included in this Fact Sheet are F-1 and J-1 visa-holders who remain in the US after completing a program of study to engage in “F-1 Optional Practical Training” (OPT) or “J-1 Academic Training” (employment). ISS continues to monitor these individuals per Department of Homeland Security/Department of State immigration regulations. Also this data includes the J-1 Student Intern program, a UH system-wide program administered by ISS-UHM. (J-1 Student Interns are placed at various campuses in the UH system to fulfill degree requirements for their home university program through specialized training and supervision.) J-1 Research Students are enrolled at their home universities and doing research at UHM.

Countries

Enrolled F-1 and J-1 students’ countries of citizenship are reported below by region. J-1 Student Interns’ countries are displayed separately. Note that Oceania includes students from American Samoa and Marshall Islands. Students born in these island nations do not need a student visa to study in the US. However, non-native-born citizens of these island nations may be required to hold a student visa to study in the US and thus are counted in this report.
