EVIDENCE ADDRESSING UH MANOA STRATEGIC PLAN (Newslinks)

*The University of Hawai‘i at Mānoa Strategic Plan: Defining Our Destiny, 2002-2010* clearly defines Mānoa’s mission of leadership, excellence, and innovation, and describes the core commitments and strategic imperatives that support the realization of its vision as a premier research institution. In dedicating itself to the achievement of its planned destiny, Mānoa is committed to the communication of evidences that demonstrate its successes in addressing the purposes of the Strategic Plan. This document provides links to these evidences—news articles that extensively communicate Mānoa’s progress and successes in implementing its Strategic Plan.
