Sheltered Instruction Observation Protocol (SIOP) Workshop

General Information

About the SIOP workshop: This is a unique opportunity to learn more about Sheltered Instruction Observation Protocol. Sponsoring agencies were very fortunate to secure the SIOP presenters as nationwide attention and demand for the SIOP model grows. To learn more about SIOP, visit www.crede.ucsc.edu/tools/research/siop/siop.html.

This 3-day workshop provides intensive training on a research-based model of sheltered instruction. You will learn how to integrate the model to help improve the academic achievement of English language learners (and any learners) in all grade levels, K-12.
