CAREGIVER EMPOWERMENT SERIES

DYSPHAGIA (SWALLOWING DIFFICULTIES) AND AGING

Designed for caregivers helping someone with dysphagia, the 19-minute program includes information on the phases of dysphagia, esophageal reflux and lifestyle measures to manage it, aspiration risk reduction, dietary considerations, modifying food and liquid textures, dysphagia and dementia, and end of life concerns.

English, Chuukese, Ilocano and Samoan versions
