You don’t want to be out at night when the Hundred Demons march.

You don’t want to be around when the ghost of the angry old man haunts the haughty princess who caused his death.

You don’t want to hear the innocent maiden burning for her sins.

You don’t want to be around when your ex dons an iron crown and goes after a doll in your likeness.

And you definitely don’t want the Rokujō Lady to take an interest in your relationships!
