

2024 ALOHA UNITED WAY CAMPAIGN
How To Give On IGNITE
For University of Hawai'i Employees

Log into <https://uhgiving.auw.stratuslive.com/> and click on Sign In at the top right corner of the homepage.

Enter your primary university email address and click Next. You will then be asked to create a username and a password. Passwords must be eight characters long and have at least one non-alphanumeric character, a digit, and a lowercase and uppercase letter.

The diagram illustrates the registration process in three stages:

- Step 1:** The user enters their email address (username@hawaii.edu) and clicks the **Next** button.
- Step 2:** The user is prompted to create a username and password. The form includes fields for Username, Business Email (username@hawaii.edu), and Password, followed by a **Sign Up** button.
- Step 3:** The user receives an email confirmation. The screen displays "Hello [redacted]", a message about activating the account, a **Confirm my email address** button, and a note: "If you did not create a StratusLIVE account, please delete this email."

You will then receive an email in your inbox where you will be asked to verify your email address. The email can take a few minutes to appear. You may also want to check your SPAM folder. Click on 'Confirm my email address' to complete your registration.

If the system does not recognize your email address, you will be prompted to Register for an Account or you can click on the Register button located next to the Sign In button on the homepage and set up your profile using the registration form.

Once you create your username and password, you are ready to sign in!

The 'Charity picker' form contains several search filters: 'Search by Charity Name' (text input), 'Search by City' (text input), 'Search by State/Territory' (dropdown menu with 'Select...' as the placeholder), 'Search by Location' (which includes a 'Zip Code' text input, a 'Use My Location' button, and an 'Exact Zip Code' dropdown menu), and 'Search by EIN' (text input). Below these filters is the 'Scope' section, which is circled in red. It contains two radio button options: 'Recommended agencies' and 'All agencies', with 'All agencies' being the selected option.
