December 2020

Report to the 2021 Legislature on University of Hawai'i Tuition and Fees Special Fund Expenditures for the Purpose of Generating Private Donations

Fiscal Year 2020

Hawaii Revised Statutes Section 304A-2153 provides that the University of Hawai'i Board of Regents, "...may authorize expenditures of up to \$3,000,000 annually, excluding in-kind services, from this fund [*University of Hawai'i tuition and fees special fund*] for the purposes of promoting alumni relations and generating private donations for deposit into the University of Hawai'i Foundation for the purposes of the University."

In September 2010, the University of Hawai'i Foundation and the University of Hawai'i entered into a revised Agreement for Services to provide private fundraising and alumni relations services for the University. To provide this support, the University of Hawai'i pays the University of Hawai'i Foundation \$3,000,000 per year.

The statute requires a report "detailing the use of any funds authorized by the board under this subsection..." The following page summarizes the information provided in this report.

Development Operations

Development Operations is the unit under which all departments work together to ensure compelling philanthropic opportunities exist.

Development Operations is comprised of the following individual departments: Annual Giving, Estate and Gift Planning, Prospect & Relationship Management, Communications and Donor Relations, Foundation and Corporate Relations, and Major Gift Unit Development Officers. Development Operations supports the Foundation's fundraising efforts through the following activities:

- Coordinate with institutional leadership to develop relationships system-wide with alumni, donors, and other constituents to ensure consistent, meaningful, and strategic interactions.
- Establish and implement standards for the development process based on national best practices.
- Coordinate and provide continuous training for development staff and academic leadership on campaign development; identify cultivation and solicitation roles and responsibilities.
- Ensure prospects are appropriately managed, especially those who have interests in multiple departments, schools, or campuses and in instances when there is no unit development staff assigned.
- Facilitate the identification of a lead 'prospect manager,' a solicitation or stewardship strategy, and the steps taken towards a solicitation.
- Work with the UH System President to implement key elements of prioritized university-wide initiatives and update the President's portfolio of prospective donors.
- Hold monthly Advancement Team meetings to discuss new projects, strategies, events, and deadlines; share successes and lessons learned.

- Hold monthly (or as needed) meetings with each Development Officer to review prospect strategies, next steps, resources needed, key relationships, etc.
- Ensure that each Development Officer is working to meet mutually agreed upon performance and fundraising goals.

Major Gifts – Development Officers

The Development Officers are housed at several campuses and in college units across the system. They are responsible for effectively managing relationships with individual donors and prospective donors across the UH system to achieve the philanthropic goals of both UH and the donor.

Unit Development Officers work in close coordination with Chancellors, Deans and Directors to:

- Identify, cultivate and solicit individuals (alumni, friends, parents, community leaders and others) who have the capacity to make gifts of at least \$25,000 annually.
- Engage and provide training to volunteers.
- Steward current donors to ensure that UH remains among their top charities.
- Educate and involve faculty, staff and academic leadership in the fundraising process.
- Coordinate with other colleges, campuses or programs when appropriate.
- Ensure that donors are appropriately recognized.

Annual Giving – Calling Center/Direct Mail

Annual Giving is responsible for raising funds of any size, and instilling a habit of giving annually, from alumni, parents and friends of UH. These gifts are raised via direct-mail appeals, telephone solicitations, online giving (e-philanthropy) and matching gifts.

Annual Giving works closely with Unit Development Officers, Chancellors, Deans and Directors in producing annual giving appeals.

In order to provide an ever-increasing flow of annual gifts to the various units and campuses of UH, Annual Giving provides the following services, categorized into the four Annual Giving solicitation methods.

I. Direct Mail

Annual Giving provides all logistical and technical services for direct-mail appeals system-wide.

- Coordinate all logistical aspects of direct-mail solicitations, including:
 - Obtaining and ensuring accuracy of data files for mailing.
 - Printing of letterhead, envelopes and brochures as needed.
 - Coordinating first-class and third-class (bulk) mailings.
 - Tracking and reporting of revenue and expenses from mailings.
- Assist each unit with developing a letter/message for each direct-mail solicitation tailored for that unit.
- Assist each unit with developing a brochure or other support materials for direct-mail solicitations.
- Provide support for other specialized appeals/mailings (such as an appeal for a specific endowment or scholarship fund).

II. Calling Center

Annual Giving operates a year-round calling center staffed by paid and well-trained UH undergraduate and graduate students.

- The calling center reaches out to alumni to re-engage them with their alma mater and asks them to make a gift.
- Annual Giving works closely with each unit to craft “talking points” to be used in calling scripts. Talking points include items such as: exciting faculty or student news; upcoming unit events or other unit news; how funds raised last year through Annual Giving were used; how funds raised in the current year will be used; etc.
- Chancellors, Deans and Directors are invited to meet with the student fundraisers and speak about their unit in conjunction with a calling campaign for that unit. Student fundraisers often have specific questions for unit representatives that provide callers with additional talking points.
- Student fundraisers record feedback and questions from each unit’s alumni and friends – this information is forwarded to the unit for action or information.
- For many alumni, this is the only personal interaction with UH they have so the experience and the interaction with the student fundraisers is valuable.

III. On-Line Giving

Online giving is growing globally. In order to better promote this method of giving:

- Use a unique code or custom URL on each piece of communication or email in order to make giving online easier and more accurately tracked.
- Promote on-line giving in pledge reminders, through all communication, and as an option through all channels.
- Work with UH units to promote giving on unit websites with a prominent link to the on-line giving form to make the transaction seamless and simple.

IV. Matching Gifts

Many corporations will match gifts made by their employees to UH. The office of Annual Giving is exploring methods to enhance this source of revenue. These efforts include:

- Implement a matching gift reminder system to encourage donors who work for a matching gift company, but who have not submitted their employer's matching gift form, to submit their form.
- Promote the benefits of matching gifts more prominently in print materials.

Scholarship Development

The Scholarship Development Office works with donors to establish private student aid accounts. It serves as the central clearinghouse for Unit Development Officers, and UH administrators, faculty, and staff throughout the system on matters relating to private student aid. The department works closely with the campus based financial aid offices to disburse scholarship funds through the BANNER system, and other types of student aid requiring alternative payment methods.

Student Aid is defined as scholarships, fellowships, awards, study abroad, and emergency assistance. It is the responsibility of the Scholarship Development Office to ensure that all awards made to students are in accordance with the wishes of the donors, and in compliance with University and IRS regulations.

There are two different types of accounts that UH donors support:

- An *endowed account* creates a permanent fund. Contributions are invested to ensure the scholarship retains its value in perpetuity, and the scholarships created by the endowment are funded through

the income generated by the endowment.

- An *annual account* reflects a donor's commitment to support a scholarship for a specific number of semesters or years.

Many steps are necessary to ensure the success of the program:

- In conjunction with the unit development officers, engage donors who have specific interests. Prepare gift agreements to ensure the donor's wishes are captured and clearly defined.
- Facilitate the development of proposals for system-wide student aid initiatives with the respective UH and UHF representatives.
- Work with the university to ensure student aid opportunities are being advertised to students, which may include meeting annually with high school counselors throughout the state to provide them with information on student aid opportunities for their students.
- Monitor activity in student aid accounts and be sure funds are being awarded to students who meet the criteria established by our donors.
- Identify student aid accounts with no activity and inquire with colleges/departments experiencing difficulty in making awards.
- Transfer funds to UH and inform the respective Financial Aid Office of students receiving aid so adjustments to student financial aid packages are made to avoid over-awarding of funds.
- Coordinate letters of gratitude from student recipients to donors.
- Disseminate annual reports to donors notifying them of student recipients who have benefited from their support.
- Facilitate and/or support scholarship events that provide the opportunity for engagement between donors and student recipients.

Foundation and Corporate Relations

The Office of Corporate & Foundation Relations raises funds from corporations and private foundations for faculty research, academic excellence, and community outreach. We are guided by the academic priorities identified by chancellors and deans across the 10 UH campuses. Activities that support the University of Hawai'i:

- Work with faculty and academic leaders to develop funding opportunities.

- Assist in identifying potential funders.
- Build relationships with funders and serving as a point of contact.
- Review proposals and budgets before they are submitted to ensure that funders' guidelines are followed.
- Develop stewardship plans to encourage continued or new funding.

Office of Estate and Gift Planning

The Estate and Gift Planning team assists prospective and current donors in making deferred and outright gifts, and assists development officers with prospects and donors interested in expanding their philanthropy through charitable gift planning. Donor stewardship:

- Meet personally with individuals and professional advisors to explain opportunities in which they have an interest; assisting individuals to assess their giving options, including outright gifts, bequests, charitable gift annuities, charitable remainder trusts, charitable lead trusts, gifts of qualified retirement plan assets or life insurance, and gifts of personal residence or vacation home with retained life estate.
- Provide benefit illustrations of specific gift plans.
- Publish newsletters and providing presentations for donors, prospects, and advisors; assisting development officers with market gift planning opportunities in University of Hawai'i publications and offering unit-based seminars on gift planning.
- Manage the Heritage Society, a donor club that honors and recognizes donors who have informed the Foundation that they have named the University of Hawai'i Foundation in their estate plan.
