

## International Student Data - Spring 2020

### Enrolled Students:

This Fact Sheet includes summary data for enrolled international students with F-1 or J-1 student visa status. It provides selected details on degree-seeking undergraduate and graduate students, as well as non-degree students (i.e., visiting exchange students enrolled in one or two semesters). All F-1 Students are sponsored by UH Mānoa. However, J-1 students are sponsored by various organizations, as noted below. Not included in the Fact Sheet are foreign citizens enrolled with a non-student visa status.

### Student Visa-holders not enrolled:

Also included in this Fact Sheet are (1) F-1 and J-1 visa-holders, who remain in the US after completing a program of study to engage in employment - "F-1 Optional Practical Training" (OPT) or "J-1 Academic Training" (AT), and are monitored by ISS per federal regulations; and (2) J-1 Student Interns placed at various campuses in the UH system to fulfill degree requirements for their home university program through specialized training and supervision.
