The website referred to in the preceding paragraph will be non-secured (open and accessible to anyone to view). Since all questions and responses will be posted and accessible to the public, no proprietary information or questions regarding proprietary information or material should be communicated by an Offeror to the website identified above.
1.5 QUESTIONS BY RCUH TO OFFERORS

The Offeror is responsible for ensuring the correctness and readability of its proposal. However, the RCUH reserves the right to seek clarifications during the Proposal Review Period. Content for which a clarification may be requested includes obvious mislabeling of figures or tables, illegible text (such as may occur in a figure label being reduced to too small a font size), or an obvious clerical mistake (e.g., a misplaced decimal point or obvious mistake in designation of a unit such as feet instead of meters). The authority to permit correction of proposals is limited to proposals that, as submitted, are responsive to the RFP and may not be used to permit correction of proposals to make them responsive.

1.6 CLARIFICATION OF THE RFP

An Offeror shall carefully review this RFP for defects and questionable or objectionable matter. Comments concerning defects and questionable or objectionable matter shall be promptly submitted to the RCUH prior to the Closing Date for Receipt of Offeror Questions. This shall allow issuance of any necessary amendments to the RFP. The Offeror hereby acknowledges, agrees, and waives any claim arising from any knowledge of any defect in this RFP acquired prior to the Closing Date for Receipt of Offeror Questions and failing to inform the RCUH prior to said deadline. The Offeror further acknowledges and agrees that: (1) the RCUH reserves the right to waive any technical irregularity not affecting an unbiased and objective evaluation of all proposals; (2) such waiver will be in the best interest of the RCUH; and (3) the Offeror hereby waives any claim against the RCUH arising from such technical irregularity.

1.7 TAX CLEARANCE FOR PROPOSALS

A tax clearance from the Hawaii Department of Taxation and the U.S. Internal Revenue Service is not required for submission of a proposal. However, in accordance with Section 103-53 of the Hawaii Revised Statutes, the selected contractor shall submit a valid tax clearance from the Hawaii Department of Taxation and the U.S. Internal Revenue Service prior to execution of the Agreement for Services. A Certificate of Vendor Compliance that reflects a “Compliant” status from Hawaii Compliance Express (HCE), https://vendors.ehawaii.gov/hce/splash/welcome.html is acceptable in satisfying the tax clearance requirement. Governmental agencies in the U.S. (i.e., city, county, state, federal) and any foreign governmental agencies are excepted from the tax clearance requirement.

Due to the fact that the proposal review and contract award period may be tightly scheduled, it is highly recommended that Contractors submitting proposals apply for tax clearance upon submission of the proposal in order to meet key dates.

1.8 PREPARATION COSTS

Any costs incurred by Offerors in preparing or submitting a proposal shall be the sole responsibility of the Offeror.

1.9 PROPRIETARY INFORMATION
The Offeror should clearly identify any proprietary information in the Offeror’s submitted proposal. Upon final execution of an Agreement for Services, all non-proprietary information in an Offeror’s proposal may be made available by the RCUH for public inspection upon request. Accordingly, material designated as confidential should be readily separable from the proposal in order to facilitate inspection of the nonconfidential portion of the proposal.

1.10 SUBMISSION OF PROPOSALS

Offerors may submit proposals by mail or email. Email submittals are strongly preferred. Note that the maximum allowable file size for email attachments is 25MB, so an Offeror may need to send its complete proposal in multiple parts. If submitting by mail, please include the original and 5 copies. It is the responsibility of the Offeror to confirm that the RCUH has received its proposal prior to the Closing Date for Receipt of Proposals. Proposals may be modified by an Offeror prior to the Closing Date for Receipt of Proposals.

1.11 CERTIFICATION OF PROPOSAL

By submitting a proposal, the Offeror certifies that the proposal submitted to the RCUH is in accordance with any required authorization by the governing body of the Offeror’s organization. The Offeror further certifies that the information and responses contained in the proposal are true, accurate, and complete, and that the RCUH may justifiably rely upon said information for purposes of evaluation and contracting with the Offeror. If it is later discovered that any information provided in the Offeror’s proposal is false, it will result in the Offeror’s elimination from consideration.

1.12 PROPOSAL WITHDRAWAL

An Offeror may withdraw its proposal by submitting a written request to the RCUH any time prior to the Closing Date for Receipt of Proposals.

1.13 RFP SUBMITTALS BECOME THE PROPERTY OF RCUH

All proposals and other material submitted shall become the property of the RCUH, and may
be returned at the sole discretion of the RCUH.

1.14 OPENING OF PROPOSALS

Proposals will be opened after December 16, 2019 or as amended at the office to which the proposals are submitted. The proposal opening will not be open to the public. Proposals will not be subject to public inspection until after an Agreement for Services is signed by all parties, but in no case will proprietary information or proprietary material designated as such and submitted by an Offeror as part of an Offeror’s proposal, be available for public inspection.

1.15 DISQUALIFICATION OF PROPOSALS

The RCUH reserves the right to consider as acceptable only those proposals submitted in accordance with all the requirements set forth in this RFP, and which demonstrate an understanding of the scope of work. Any proposal offering any other set of terms and conditions contradictory to those included in this RFP may be disqualified without further notice.

An Offeror shall be disqualified and its proposal automatically rejected for any one or more of the following reasons:

- The proposal shows any noncompliance with applicable law.
- The proposal is conditional, incomplete, or irregular in such a way as to make the proposal indefinite or ambiguous as to its meaning.
- The proposal has any provision reserving the right to accept or reject award, or reserving the right to enter into a contract pursuant to an award, or has any provision contrary to those required in the solicitation.
- The Offeror is debarred or suspended. Entities that are currently debarred or suspended from federal procurement transactions are listed in the Excluded Parties Listing System. A search can be performed at www.sam.gov to determine whether an entity has an active exclusion.

1.16 REFERENCES

The Offeror must disclose all contracts for similar services for the last 3 years, and these will serve as potential references to be contacted by the RCUH as part of the evaluation of the Offeror’s proposal. Points of contact and contact information should be indicated for each contract listed.

The RCUH reserves the right to contact the references named in the Offeror’s proposal and any other references provided by the Offeror during the past 3 years. The results of discussions with the references will be used to score the proposal, as described in Section 4 of this RFP.

1.17 SELECTION ON INITIAL PROPOSALS

The RCUH may select a Contractor on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the Offeror’s best terms.
1.18 BASIS FOR SELECTION

Based on the evaluation process discussed in Section 4 of this RFP, the highest ranked responsible and responsive Offeror will be selected.

1.19 PROCESS FOR NEGOTIATIONS

The RCUH will attempt to negotiate with the selected Offeror a mutually acceptable Agreement for Services. If this cannot be accomplished within 21 calendar days after initial Selection, the RCUH reserves the right to terminate contract negotiations with the first-ranked Offeror, and may select the second-ranked Offeror for negotiation of a potential award. This process may continue in order of Offeror ranking until a mutually acceptable Agreement for Services is achieved with the RCUH and an award is made to a selected Offeror.

1.20 AVAILABILITY OF FUNDS

Offerors are advised that entering into an Agreement for Services is contingent upon availability of funds. If funds are not available, the RCUH reserves the right not to enter into an agreement.

1.21 NOTICE TO PROCEED

The RCUH shall not be responsible for work done, even in good faith, prior to the RCUH’s execution of an Agreement for Services unless specific provisions are made in the Agreement for Services.

1.22 CHANGES TO CONTRACTOR’S FEE

It is recognized that financial audit disallowances and other changes may require adjustments in the compensation due to the Contractor. In the event that future actions would either disallow or minimize the payments already made to the Contractor, the Contractor shall assist the RCUH in defending the correctness of the claim for reimbursement. If the disallowance or adjustment is upheld, then the Contractor will repay RCUH to the extent the amount of the disallowance or adjustment was included in the total fee received by the Contractor. Payment to the RCUH shall be made within THIRTY (30) calendar days from which official notice is received by the Contractor from the RCUH.

1.23 PROCUREMENT OFFICER

This RFP is issued by the Research Corporation of the University of Hawaii, on behalf of Information Technology Services. The Procurement Officer responsible for overseeing the RFP process and Agreement for Services is Ron Merrill.
SECTION 2 – STATEMENT OF WORK

Overview:
The University of Hawaii Information Technology Services is planning to purchase a significant addition to the existing HPC system located at IT Center on the UH Manoa campus.

The current UH HPC serves as a central computing resource for the research communities of all the UH branches. The upgrade will enhance both the capabilities and scale of the current UH HPC machine. We are seeking proposals for GPU, x86 computing nodes and an associated storage system suitable for general scientific computation including large fine-grained parallel applications. A successful proposal will maximize the theoretical peak speed of the system within the constraints of a $575,000 budget and the key requirements enumerated below.

Key Selection Requirements:
Time Constraint: The systems should be fully functional and have passed all acceptance criteria agreed on in the statement of work by March 23, 2020.

Physical:
All supplied equipment must fit into 1 or 2 adjacent existing Chatsworth Teraframe F racks equipped each with two ServerTech ST V-4104Y 60A PDU’s and an active cooling door capable of 30kW of cooling.

GPU nodes V100: There should be a minimum of 6 GPU nodes. Each should have 4 x NVidia V100 GPU’s, 2 x Intel 6248 (20 core) CPU’s, with 192GB 2900MHz RAM, HDR100 adapter and 25GbE adapter. A 1U form factor is preferred.

CPU nodes: There should be a minimum of 24 CPU nodes. Each should have 2 x Intel 6248 (20 core) CPU’s, with 192GB 2900MHz RAM, HDR100 adapter and 25GbE adapter. A 2U quad node form factor is preferred.
Alternates CPUs:
Alternative CPU’s would only be considered if they have higher theoretical peak floating point speed, peak integer speed and memory bandwidth than the proposed systems. Also, the Intel compiler suite should be capable of producing executables for these alternate CPU’s that have higher price/performance ratio than the performance ratio the Intel 6248 CPU’s proposed above.

Storage System:
Offerors should provide a storage system capable of high speed data access to the cluster via the cluster interconnect from all the GPU and CPU nodes in this purchase. Performance and capacity should be equivalent to or better than the DDN AI200 appliance, namely 25GB/s and 750k IOPS with raw capacity of 76TB. Lustre based systems are preferred, but alternate systems with significantly greater capacity and performance would be considered.

High-performance Low Latency Cluster Interconnect:
The vendor should supply a Mellanox HDR InfiniBand Switch, 40 QSFP56 ports, 2 Power Supplies (AC), x86 dual core, standard depth, C2P airflow.

Cables:
The offeror should supply sufficient HDR/HDR100 cables to connect all nodes supplied in the proposal. A sufficient number HDR100 or EDR cables to connect the storage system for maximum performance should be provided. Lastly, the offeror should supply Arista Networks AOC-Q-4S-100G 100G QSFP28 to 4x25G SFP28 Breakout Active Optical Cables (or compatible) to connect all the nodes to an existing switch located in a third Chatsworth cabinet adjacent to just one of the 1 or 2 RFP racks.

Management and monitoring:
All CPU and GPU systems should be IPMI capable.

Expansion:
Offerors should be willing to commit to honoring the prices offered in their proposal for all major components for least one year after the hardware is delivered.
Warranty/ Maintenance:
Proposals must include five-year warranty coverage on all major equipment items. At a minimum, the University should be able to initiate service calls Monday through Friday, 8 AM to 4 PM HST for next business day parts delivery. Next day delivery of parts from the mainland is often problematic, so offerors may wish to include an onsite spare parts strategy in their warranty. Preference will be given to vendors with local repair technicians and a parts depot on Oahu.

University staff will maintain all hardware and software by direct access to the original equipment manufacturer, i.e. University staff should not have to contact the Offeror for support on items that are not of the Offeror’s manufacture.

All warranties and licenses for software shall be transferred to the University at the time of acceptance of the system.

Acceptance Criteria:
All compute systems, the storage system and the HDR switches must be functioning with connectivity among all systems through both the supplied HDR switch and our existing 100 GbE Arista switch. The details of testing to be used to measure functioning of the systems will be outlined in the statement of work agreed to by ITS and the successful bidder.
SECTION 3 – PROPOSAL REQUIREMENTS

3.1 REQUIRED FORMAT
The proposal shall be organized in sections in the following order:

1. Executive Summary
2. Technical Proposal
3. Schedule
4. Qualifications and Expertise
5. Price Proposal
6. Appendices

3.1.1 EXECUTIVE SUMMARY
Offeror shall submit an Executive Summary outlining the key elements of the proposal.

3.1.2 TECHNICAL PROPOSAL
See Section 2, Statement of Work, for the details of the technical proposal.

3.1.3 SCHEDULE
Hardware shall be delivered to the UH ITC Data Center and racked by University staff in University supplied racks.

• The Offeror shall supply all power cables, network cables and cluster interconnect cables to connect equipment.
• The Offeror shall deliver all documentation in electronic form detailing the delivered hardware including MAC address, memory, disk configurations, serial numbers, part numbers, software licenses and manuals.
• Hardware and documentation shall be delivered prior to March 9, 2020, unless the Offeror and the University agree upon an alternate time frame.
• All hardware will be installed and operational before full payment will be made. The
systems should be fully functional and have passed all acceptance criteria agreed on in the statement of work by March 23, 2020.

- The Offeror and the University shall agree upon any changes to this schedule in writing.

3.1.4 QUALIFICATIONS AND EXPERTISE

Offeror shall describe the firm’s qualifications, experience and size. In addition, the Offeror shall identify the team it will use to provide the goods/services. Biographical summaries of the key team members shall be included in the proposal (to be included with Appendix B, described below).

3.1.5 PRICE PROPOSAL

Proposals should include summary prices for the categories CPU node, CPU enclosure (if applicable), V100 node, Storage System, HDR switch, cabling, and warranty pricings. Individual prices for each cable type and each warranty type must be included.

3.1.6 APPENDICES

Appendix A – Proposal Letter. The Proposal Letter shown in Appendix A shall be signed and dated by an individual authorized to legally bind the Offeror. Evidence shall be submitted showing the individual’s authority to bind the Offeror.

Appendix B -- Offeror’s Profile. The Offeror’s Profile form shown in Appendix B shall be completed in its entirety.

Appendix C – References. Using the form shown in Appendix C, the Offeror must disclose all contracts for similar services performed during the last 3 years. Points of contact and contact information should be indicated for each contract listed. These will serve as potential references to be contacted by the RCUH as part of the evaluation of the Offeror’s proposal.

SECTION 4 – EVALUATION OF PROPOSALS AND BASIS FOR AWARD

4.1 EVALUATION OF OFFEROR PROPOSALS

All responsive proposals received by the Closing Date for Receipt of Proposals, Monday, December 16, 2019 5:00 p.m. HST, will be evaluated and scored.

4.2 EVALUATION COMMITTEE

A committee, comprised of at least three (3) representatives, will evaluate and score each proposal submitted after review of all proposals and completion of oral presentations, if required. The committee will submit its evaluations to the Procurement Officer. The Procurement Officer will review the RFP and the evaluations before the selection of a Contractor. The firm with the highest score according to the criteria shown in this section shall be awarded the contract.

4.3 CRITERIA FOR PROPOSAL EVALUATION AND SCORING METHOD

The scoring and subsequent ranking of each proposal will be based on a scoring method using weighted formulas for technical merit (ability to meet scope of work/schedule), qualifications and expertise, price, and service. The total score for each proposal will be on a scale of 0 to 100 points. Four general categories will be used to evaluate the proposals:

<table>
<thead>
<tr>
<th>Category</th>
<th>Maximum Number of Points per Category</th>
</tr>
</thead>
<tbody>
<tr>
<td>Technical merit</td>
<td>40</td>
</tr>
<tr>
<td>Itemized Price</td>
<td>25</td>

<tr>
<td>Qualifications and expertise</td>
<td>20</td>
</tr>
<tr>
<td>Service</td>
<td>15</td>
</tr>
<tr>
<td>Total</td>
<td>100</td>
</tr>
</tbody>
</table>

4.3.1 DETAILED EVALUATION FORMULA FOR PROPOSED TECHNICAL APPROACH

Within the above general categories, points will be further divided as follows:

<table>
<thead>
<tr>
<th>Technical Merit</th>
<th>Maximum Number of Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Storage System</td>
<td>10</td>
</tr>
<tr>
<td>GPU Nodes</td>
<td>15</td>
</tr>
<tr>
<td>CPU Nodes</td>
<td>15</td>
</tr>
</tbody>
</table>
A pricing formula shall be used to allot points based on the Offeror’s price and the price of the lowest bidder.

The References category will be scored by selecting up to 3 of the Offeror’s previous or current customers, and factoring their responses to standardized questions, into the evaluation.

### 4.4 BASIS FOR SELECTION AND AWARD OF AN AGREEMENT FOR SERVICES

The RCUH will select and attempt to negotiate a mutually acceptable Agreement for Services with the first-ranked Offeror. If this cannot be accomplished within 21 calendar days after initial Selection, the RCUH reserves the right to terminate contract negotiations with the first-ranked Offeror, and may select the second-ranked Offeror for negotiation of a potential award. This process may continue in order of Offeror ranking until a mutually acceptable Agreement for Services is achieved with the RCUH and an award is made to a selected Offeror.

### 4.5 REQUIREMENTS FOR AN AGREEMENT FOR SERVICES WITH THE RESEARCH CORPORATION OF THE UNIVERSITY OF HAWAII

The selected Offeror must submit the following documentation prior to execution of an Agreement for Services with the Research Corporation of the University of Hawaii:

1. Tax clearance from the Hawaii Department of Taxation and the U.S. Internal Revenue Service. See Section 1.7 of this RFP.
2. Certification Regarding Debarment, Suspension, Proposed Debarment, and Other Responsibility Matters, if applicable.
3. Certification and Disclosure Regarding Payments to Influence Certain Federal Transactions, if applicable.

Acceptance of an Agreement for Services with the Research Corporation of the University of Hawaii requires acceptance of Attachment B – General Conditions for Services Agreements,

In the performance of services required under this Agreement, CONTRACTOR shall be an “independent contractor”, with the authority and responsibility to control and direct the performance and details of the work and services required under this Agreement; however, RCUH shall have a general right to inspect work-in-progress to determine whether in RCUH’s opinion, the services are being performed by CONTRACTOR in accordance with the provisions of this Agreement. It is understood that RCUH does not agree to use CONTRACTOR exclusively, and that CONTRACTOR is free to contract to provide services to other individuals or entities while under contract with RCUH.
   
   b. CONTRACTOR, and CONTRACTOR’s employees and agents, shall not be considered agents or employees of RCUH for any purpose, and CONTRACTOR’s employees and agents shall not be entitled to claim or receive from RCUH any vacation, sick leave, retirement, workers’ compensation, unemployment insurance, or other benefits provided to RCUH employees.
   
   c. CONTRACTOR shall be responsible for the accuracy, completeness, and adequacy of its performance under this Agreement.    b. CONTRACTOR shall ensure that CONTRACTOR’s employees and agents are experienced and fully qualified to engage in the activities and services required under this Agreement, and that all applicable licensing and operating requirements imposed or required under federal, state and county law, and all applicable accreditation and other standards of quality generally accepted in the field of the activities of such employees and agents, are complied with and satisfied.

4. **Nondiscrimination.** No person performing work under this Agreement, including any subcontractor, employee or agent of CONTRACTOR, shall engage in any discrimination that is prohibited by any applicable federal, state or county law.

5. **Subcontracts and Assignments.** CONTRACTOR shall not assign or subcontract any of CONTRACTOR’s duties, obligations, or interests under this Agreement without the prior written consent of RCUH. Additionally, no assignment by CONTRACTOR of CONTRACTOR’s right to compensation under this Agreement shall be effective unless and until the assignment is approved in writing by RCUH, and a tax clearance is submitted by the assignee. RCUH must also approve, in writing, all other assignment or subcontract agreements entered into by CONTRACTOR’s assignees and subcontractors, prior to execution.

6. **Conflict of Interest.** CONTRACTOR represents that neither CONTRACTOR, nor any employee or agent of CONTRACTOR, presently has any interest (and promises that no such interest, direct or indirect, shall be acquired), which would or might conflict in any manner or degree with the performance of CONTRACTOR’s services under this Agreement.

7. **Modifications of Agreement.** Any modification, alteration, amendment, change, or extension to any term, provision, or condition of this Agreement shall be made only by written amendment to this Agreement, signed by CONTRACTOR and RCUH. No modification, alteration, amendment, change or extension to any term, provision, or condition of this Agreement, signed by any persons, including the University of Hawaii, shall be binding on RCUH unless signed by an authorized official of RCUH.

8. **Suspension of Agreement.** RCUH reserves the right at any time and for any reason to suspend all or any part of the performance required by this Agreement for any reasonable period, upon written notice to CONTRACTOR. Upon receipt of said notice, CONTRACTOR shall immediately comply with said notice and suspend all such work under this Agreement at the time stated.

9. **Termination of Agreement for Default.**
   
   a. If CONTRACTOR breaches this Agreement by failing to satisfactorily fulfill in a timely or proper manner CONTRACTOR’s obligations under this Agreement, or failing to perform any of the promises, terms, or conditions of this Agreement, and having been given reasonable notice of and opportunity to cure such default, fails to take satisfactory corrective action within the time
specified by RCUH, RCUH shall have the right to terminate this Agreement in whole or in part, by giving written notice to CONTRACTOR of such termination at least seven (7) calendar days before the effective date of such termination. In the case of a partial termination, CONTRACTOR shall continue performance of this Agreement to the extent it is not terminated.

b. CONTRACTOR shall, within four (4) weeks of the effective date of such termination (or within four (4) weeks of the scheduled expiration of the time of performance specified in this Agreement, whichever is earlier), compile and submit in an orderly manner to RCUH an accounting of the work performed up to the effective date of termination or expiration. In such event, CONTRACTOR shall be paid for the actual cost of the services rendered, but in no event more than the total compensation payable to CONTRACTOR under this Agreement.

c. As of the date of termination provided in the notice, CONTRACTOR shall incur no further obligations in connection with the terminated performance, and CONTRACTOR shall stop performance to the extent specified. CONTRACTOR shall also terminate outstanding orders and subcontracts as they relate to the terminated performance. CONTRACTOR shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated performance, subject to RCUH’s approval. RCUH may choose to direct CONTRACTOR to assign CONTRACTOR’s right, title, and interest under terminated orders or subcontracts to RCUH.

d. CONTRACTOR shall not be relieved of liability to RCUH for damages sustained because of any breach by CONTRACTOR of this Agreement, including but not limited to RCUH’s procurement of similar goods and services in a manner and upon terms deemed appropriate by RCUH. In such an event, RCUH may retain any amounts which may be due and owing to CONTRACTOR until such time as the exact amount of damages due to RCUH from CONTRACTOR has been determined. RCUH may also set off any damages so determined against the amounts retained.

e. Upon termination of this Agreement (or upon the scheduled expiration of the time of performance specified in this Agreement, whichever is earlier), all finished and unfinished material prepared by CONTRACTOR shall, at RCUH’s option, become RCUH’s property and, together with all material, if any, provided to CONTRACTOR by RCUH, shall be delivered and surrendered to RCUH on or before the expiration date or date of termination. For purposes of this Agreement, “material” includes but is not limited to any information, data, reports, summaries, tables, maps, charts, photographs, films, graphs, studies, recommendations, program concepts, titles, scripts, working papers, files, models, audiotapes, videotapes, computer tapes, cassettes, diskettes, documents, and records developed, prepared, or conceived by CONTRACTOR in connection with this Agreement, or furnished to CONTRACTOR by RCUH. Additionally, CONTRACTOR shall take timely, reasonable, and necessary action to protect and preserve property and materials in the possession of CONTRACTOR, in which RCUH has an interest.

10. Termination of Agreement for Convenience.

a. RCUH may terminate this Agreement without statement of cause at any time, in whole or in part, by giving written notice to CONTRACTOR of such termination at least thirty (30) calendar
days before the effective date of such termination. In the event of a partial termination, CONTRACTOR shall continue performance of this Agreement to the extent it is not terminated.

b. Upon termination of this Agreement, CONTRACTOR shall, within four (4) weeks of the effective date of such termination, compile and submit in an orderly manner to RCUH an accounting of the work performed up to the effective date of termination. In such event, CONTRACTOR shall be paid for the actual cost of the services rendered, but in no event more than the total compensation payable to CONTRACTOR under this Agreement.

c. As of the date of termination provided in the notice, CONTRACTOR shall incur no further obligations in connection with the terminated performance, and CONTRACTOR shall stop performance to the extent specified. CONTRACTOR shall also terminate outstanding orders and subcontracts as they relate to the terminated performance. CONTRACTOR shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated performance, subject to RCUH’s approval. RCUH may choose to direct CONTRACTOR to assign CONTRACTOR’s right, title, and interest under terminated orders or subcontracts to RCUH.

d. All finished and unfinished material prepared by CONTRACTOR shall, at RCUH’s option, become RCUH’s property and, together with all material, if any, provided to CONTRACTOR by RCUH, shall be delivered and surrendered to RCUH on or before the date of termination. For purposes of this Agreement, “material” includes but is not limited to any information, data, reports, summaries, tables, maps, charts, photographs, films, graphs, studies, recommendations, program concepts, titles, scripts, working papers, files, models, audiotapes, videotapes, computer tapes, cassettes, diskettes, documents, and records developed, prepared, or conceived by CONTRACTOR in connection with this Agreement, or furnished to CONTRACTOR by RCUH. Additionally, CONTRACTOR shall take timely, reasonable, and necessary action to protect and preserve property and materials in the possession of CONTRACTOR, in which RCUH has an interest.

11. Compliance with Laws. CONTRACTOR shall comply with all federal, state, and county laws, ordinances, codes, rules, and regulations, as the same may be amended from time to time, which in any way affect CONTRACTOR’s performance of this Agreement.

12. Indemnification and Defense. CONTRACTOR shall defend, indemnify, and hold harmless RCUH, the University of Hawaii, the State of Hawaii, and the Project, and their respective officers, employees, and agents from and against all liability, loss, damage, cost, and expense, including all attorneys’ fees and costs, and all claims, suits, and demands therefore, arising out of or resulting from the acts or omissions of CONTRACTOR or CONTRACTOR’s employees, officers, agents, or subcontractors, occurring during or in connection with the performance of CONTRACTOR’s services under this Agreement. The provisions of this paragraph shall remain in full force and effect notwithstanding the expiration or early termination of this Agreement.

13. Disputes. No dispute arising under this Agreement may be sued upon by CONTRACTOR until after CONTRACTOR’s written request to RCUH to informally resolve the dispute is rejected, or until ninety (90) days after RCUH’s receipt of CONTRACTOR’s written request, whichever occurs first.
While RCUH considers CONTRACTOR's written request, CONTRACTOR agrees to proceed diligently with the provision of services necessary to complete the scope of services described in Attachment 1.

14. **Confidentiality of Material**.

   a. All material given to or made available to CONTRACTOR by virtue of this Agreement, whether oral or written, and which is identified as proprietary or confidential information, will be safeguarded by CONTRACTOR and shall not be disclosed to any individual or organization without the prior written approval of RCUH.

   b. All information, data, or other material provided by CONTRACTOR to RCUH, which is identified as proprietary or confidential, shall be kept confidential to the extent permitted by law.

15. **Ownership and Intellectual Property Rights**.

   a. **Physical Material.** The University of Hawaii shall have complete ownership of all physical material, both finished and unfinished, which is acquired, developed, prepared, or assembled by CONTRACTOR pursuant to this Agreement, unless the provisions of the Project’s Prime Award (grant/contract awarded directly by the federal government), if any, requires that title to physical material vest in another party. If determined by RCUH to be necessary, CONTRACTOR and RCUH shall execute any and all documents necessary to establish the University of Hawaii or other required party as the owner of the material, without the need for any additional consideration.

   b. **Patentable Inventions.**

      i. **Rights to Patentable Inventions.** The rights to patentable inventions shall be determined in accordance with the provisions of the Project’s Prime Award, if any. If the Prime Award is subject to the applicable regulations governing patents and inventions incorporated in 37 CFR 401, the term “subcontractor” shall be substituted for “contractor” throughout 37 CFR 401, unless the context of the clause requires otherwise. It is intended that 37 CFR 401 shall apply to CONTRACTOR in such a manner as is necessary to: (1) reflect the position of CONTRACTOR as a subcontractor to RCUH, (2) insure CONTRACTOR's rights under 37 CFR 401 and its obligations to RCUH, the Project, and the United States government, and (3) enable the Project to meet its obligations under its Prime Award. In the absence of ownership provisions in the Prime Award, or if the Project is supported by other funds, the ownership of patentable inventions developed pursuant to this Agreement will be determined under applicable U.S. law. If determined by RCUH to be necessary, CONTRACTOR and RCUH shall execute any and all documents necessary to establish the rights to the patentable inventions, without the need for any additional consideration.

      ii. **Licensing of Patentable Inventions.** CONTRACTOR agrees to grant and hereby does grant to the University of Hawaii an irrevocable, royalty-free, non-transferable, non-exclusive right and license to use, make, have made, and distribute any patentable invention first conceived or reduced to practice in the performance of this Agreement.
c. Copyrights. The University of Hawaii shall have complete ownership of all copyright material (including but not limited to any computer software and its documentation and/or databases) that is developed or prepared by CONTRACTOR for RCUH pursuant to this Agreement, and all such material shall be considered “works-made-for-hire.” All such material shall be delivered to RCUH upon expiration or termination of this Agreement. CONTRACTOR, however, may use thereafter any ideas and techniques that may be embodied in such works. To the extent the material is not recognized as a “work-made-for-hire” as a matter of law, CONTRACTOR hereby assigns to the University of Hawaii any and all copyrights in and to the material. If determined by RCUH to be necessary, CONTRACTOR and RCUH shall execute any and all documents necessary to establish the University of Hawaii as the owner of the material, without the need for any additional consideration.

16. Publicity. CONTRACTOR shall not refer to RCUH, the University of Hawaii, the Project, or any office, agency, or officer thereof, or to the services provided pursuant to this Agreement, in any of CONTRACTOR’s brochures, advertisements, or other publicity of CONTRACTOR. All media contacts with CONTRACTOR about this Agreement shall be referred to RCUH.

17. Payment Procedures; Final Payment. All payments under this Agreement shall be made only upon (a) submission by CONTRACTOR to RCUH of original invoices specifying the amount due and certifying that services requested under this Agreement have been performed by CONTRACTOR according to this Agreement, and (b) satisfactory performance as determined by RCUH and as specified in Attachments 1, 2, and 3.

18. Tax Clearance. Final payment under this Agreement shall be subject to Section 103-53 of the Hawaii Revised Statutes, which requires a tax clearance from the Hawaii Department of Taxation and the U.S. Internal Revenue Service, stating that all delinquent taxes, if any, levied or accrued against CONTRACTOR have been paid. A tax clearance is required on final payment for agreements of $25,000 or more. In addition to obtaining a tax clearance prior to final payment, CONTRACTOR is required to obtain a tax clearance from the Hawaii Department of Taxation and the U.S. Internal Revenue Service prior to the execution of this Agreement, if $25,000 or more.

19. Governing Law. The validity of this Agreement and any of its terms and/or provisions, as well as the rights and duties of the parties to this Agreement, shall be governed by the laws of the State of Hawaii. Any action at law or in equity to enforce or interpret the provisions of this Agreement shall be brought in a state court of competent jurisdiction in Honolulu, Hawaii.

20. Notices. Any written notice required to be given by a party to this Agreement shall be (a) delivered personally, or (b) sent by United States first class mail, postage prepaid, to RCUH at its address, and to CONTRACTOR at its address, as indicated in this Agreement. A notice shall be deemed to have been received by the recipient three (3) days after mailing or at the time of actual receipt, whichever is earlier.

21. Severability. In the event that any provision of this Agreement is declared invalid or unenforceable by a court of competent jurisdiction, such invalidity or unenforceability shall not affect the validity or enforceability of the remaining terms of this Agreement, provided that the remaining terms and conditions of this Agreement remain legal and enforceable.
22. **Waiver.** The failure of RCUH to insist upon strict compliance with any term, provision or condition of this Agreement shall not constitute or be deemed to constitute a waiver or relinquishment of RCUH’s right to enforce the same in accordance with this Agreement.

23. **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same Agreement.

24. **Federal Provisions.** If federal funds are expended under this Agreement, CONTRACTOR shall comply with the applicable provisions of Attachment C.
