UNIVERSITY POLICIES
STUDENTS MUST PAY IN FULL OR ENROLL IN AN INSTALLMENT PAYMENT PLAN BY AUGUST 10, 2018. Students who cannot pay in full by AUGUST 10, 2018 have the option to enroll an installment payment plan to prevent cancellation of their Fall 2018 registration. If you have been awarded financial aid for the current term (login to MyUH to see if you have an award for the Fall 2018 semester), you do not need to sign up for a payment plan by August 10. If you have met the terms of your awarded financial aid, your aid will automatically be applied as payment toward eligible charges. If a balance due remains on your account after financial aid begins to disburse funds on August 10, 2018, you may sign up for an installment payment plan by August 29, 2018.

• Students must be registered for the Fall 2018 semester to sign up for a payment plan. Students may not be able to sign up for a payment plan if there is a past due balance on their student account from a previous Fall or Spring term, or if there is a financial obligation hold on their account. Past due balances must be paid and financial obligation holds must be cleared prior to enrolling in a payment plan.

• Enrollment in the payment plan will not result in the removal of any financial obligation hold.

• Only students with a minimum unpaid balance of $300.00 may enroll in a payment plan.

• Once a student has enrolled in a payment plan, student is expected to pay all financial charges incurred and the student will not be dis-enrolled from classes.

• Installment plan payments are automatically scheduled and will be deducted from your designated account on the scheduled payment dates. Be sure to have sufficient funds available. DO NOT MAKE A MANUAL PAYMENT on the scheduled date to avoid double payments.

• Scheduled eCheck or eSavings payments to the University of Hawaii will be attempted twice before being returned from the maker’s bank for any reason (e.g. insufficient funds, closed bank account, incorrect bank information), resulting in a $25.00 returned payment charge. DO NOT issue a STOP PAYMENT. A stop payment is a returned payment, it is not acknowledged as an official drop from courses or withdrawal from the University. Students should drop all classes before August 20, 2018 to avoid incurring financial charges.

• Students who fail to make full payment for any reason (e.g. insufficient funds, invalid credit card or bank account number) by the end of all scheduled payments will: 1) be dis-enrolled from the payment plan; 2) have a financial hold placed on their student account, and 3) be notified that full payment must be received within 15 days or sanctions will be imposed. If full payment is not received, the student’s account may be referred to a collection agency and other sanctions as defined in University of Hawaii Administrative Rules, Chapter 20-10 will be imposed.

• All financial aid and scholarships received by the University shall be applied in full to a student’s account balance at the time of receipt and the student’s remaining payments in the plan will be reduced.

• Payment plans are not available to students whose account has been referred to the collection agency for unpaid balances from prior semesters.

COST
$30 non-refundable fee per student per semester per plan to participate.
