## DAREK GOGOL

Darek Gogol is a concept designer who draws with narratives. One drawing is far too limiting to fully visualize the story, so Darek draws a sequence of pieces. With boards of original artwork, he will show how he pitches his art to the producers and industry executives.

His filmography of over 30 movies includes: *Pirates of the Caribbean 1-4, Matrix, Minority Report, Stargate, Armageddon, Enchanted, Beauty and the Beast, Aladdin, The Lion King, Pocahontas, I am Legend, Dreamgirls, Windtalkers*, and the Academy Award winning *Memoirs of a Geisha*.

He was Production Designer on *Prince of Egypt*.
