About The Dr. N.H. Paul Chung Memorial Lecture

The Dr. N.H. Paul Chung Memorial Lecture is held annually and features distinguished individuals discussing an important international topic of interest. This event is held in honor of Dr. N.H. Paul Chung who founded the Pacific Asian Management Institute (PAMI) in 1977 with the energetic vision of creating a “knowledge center” for international management. For over 35 years, PAMI has brought people together from countries around the world to study and exchange ideas on international business and related issues.
