Hawai‘i CC
First Year Success:

1 - AVID for Higher Education
- Continue to provide professional learning opportunities for faculty and staff to increase student engagement in courses and across campus support services
- Tutor/mentor training
- Equity and Diversity training

2- Instruction
- Embed AVID first year seminar curriculum into courses
- Starfish - encourage faculty to send "kudos" to students (positive reinforcement)
- Strategic scheduling - non-conflicting class times, scheduling to reduce canceled classes
- Training for faculty on Open Educational Resources (OER)
- Zero Cost Textbook initiative
- Improved faculty advising
- Looking at ways to increase online and evening courses

3- Academic Support
- Expand tutoring services, including the use of in-class tutors and supplemental instruction for developmental and gate-keeper courses
- FYE for students in developmental education
- Early outreach (after placement), summer workshops for math and English preparation, in-class workshops, peer mentor support
- Set up referral system on Starfish for faculty to make student referrals to Tutoring and Student Success Coordinator for outreach and follow-up; connect students to community resources
- Foster Youth Leadership Council provides workshops and events to promote college and career readiness, assist with enrollment, wrap around support while enrolled

4- Student Support
- Embedded mandatory advising in conjunction with orientation
- Hanai A Kumu program connecting counselor to each English ALP
- College readiness and success workshops to prepare students for college life
- Pace callouts to students registered for classes that are not applicable to their degree
- Implementation of Focus II career assessment tool
- Free Student ID cards now provided on Manono Campus to create a sense of belonging and community
- MySuccess - outreaching to students when instructors have raised “flags”

5-Academic Pathways
- Fine-tune the build of Dev-Ed courses into the first year of a student’s STAR planner
- Provide guided 2-year pathways to a 4-year degree. Expanded our academic pathway offerings in Accounting, General Business, Kinesiology, and Pre-Nursing
