First Year Success Initiatives

Student Support

- First Year Experience
  - Advising by 2 advisors, workshops in the first year, check in

- New Student Orientation
  - 3 parts, mandatory advising
    - Part I - intro to college, online
    - Part II - required mandatory advising/registration for classes
    - Part III - campus engagement

- **Embedded Counselor
  - Pull those that aren’t doing it in the first term/first year - possible Focus Group

- **Retention Committee

- **Retention Counselor - early alert initiative

- **Adult Learner Counselor - Transfer year experience/Returning Adult initiative

Curricular Innovations

- English & Math Redesign
  - Embedded tutors in Math - 19 sections - Fall 2018 - 75x & 82
  - How to embed tutors without taxing faculty?
  - How many students have 30 credits and haven’t done English or Math? Can we pull that data?
  - How many home based students are taking English from other campuses - transfer in?
  - 3 ways for Math - 82/103, 75x/100, 75x/111/112

- Purpose First
  - English 98/100 - 14 sections - Fall 2018
  - Making connections with faculty & counselors
  - Choosing a major in the first year
  - ESL - what about those students? How do we reach out to them?
  - What’s the next step after exploring options?

- **Optimizing Schedule
  - When we offer English and Math
  - How many on waitlist

- FELI/IS 107 Faculty Experiential Learning Institute and Student Success course

**New in Fall 2018
