Dear Ms. Quinn,

Yesterday I sent over to your office, by campus mail, the two Manoa Faculty Senate resolutions that were passed last Wednesday. In my cover letter, I observed that each had been passed by "an overwhelming vote". But I did not specify the exact count, not realizing that this was customary. In order to correct the oversight, then, let me inform you now that the resolution censuring the President was passed with 43 votes in favor, and 16 opposed, while the resolution to forward the Senate recommendations for the restoration of Manoa faculty confidence in the Board of Regents itself was passed with 55 votes in favor, and 0 opposed.

Cordially,  
Ron Bontekoe, Chair  
Manoa Faculty Senate
