## 34 - Support for Learners Benchmark (Percentile)

**Data Source:** Pre populated from CCSSE Benchmark percentile in the area of Support for Learners.

### Means Summary All Students

**Definition / Description**

The college’s percentile ranking of other colleges of like size on the survey questions related to support for learners.

Students perform better and are more satisfied at colleges that are committed to their success and cultivate positive working and social relationships among different groups on campus. Community college students also benefit from services targeted to assist them with academic and career planning, academic skill development, and other areas that may affect learning and retention. The following seven survey items contribute to this benchmark:

**How much does this college emphasize:**

- Providing the support you need to help you succeed at this college (9b)
- Encouraging contact among students from different economic, social, and racial or ethnic backgrounds (9c)
- Helping you cope with your nonacademic responsibilities (work, family, etc.) (9d)
- Providing the support you need to thrive socially (9e)
- Providing the financial support you need to afford your education (9f)

**During the current school year, how often have you:**

- Used academic advising/planning services (13a)
- Used career counseling services (13b)
