**“If we are to develop mastery of learning in students, we must be able to recognize when students have achieved it. We must be able to define what we mean by mastery and we must be able to collect the necessary evidence to establish whether or not a student has achieved it.”**  
**- Benjamin Bloom**

**Lawe i ka ma'alea a kū'ono'ono.**

Translation: Acquire skill and make it deep.

Explanation: If you want to become really good at anything, you've got to study hard and practice long until it gets deep and becomes a part of you.
