

Strategic Planning Working Group
Goal A Part 2
Native Hawaiian Educational Attainment

Meeting: September 11, 2013
Time: 10:00am – 12:00 pm
Place: UH West O‘ahu Conference Room

Members: Dasha D’Acosta, Alicia Brown, Kamuela Chun, Amy Emmsley, Ardis Eschenburg, Ben Guerrero, Lui Hokoana, David Sing, Taupouri Tangaro, Noreen Yamane

Guest: Cheryl Chappell-Long

1.1 Increase NH Enrollment by 3% per year

Discussion:

- OK to keep data elements from Fall enrollment to >49 years old
- Should we continue to track the data elements for the AtD Cohort – AtD Fall Cohort, AtD Cohort Full Time in Fall, & AtD Cohort Part time in Fall?
- Recommendation: replace AtD cohort data with data to include ALL NH
- Full time is 12+ credits
Part time is <12 credits
Recommendation: System break down the data by credits. Example:
 - 1-6 credits
 - 7-11 credits
 - 12+ credits
- Recommendation: ADD NH Globally Competitive Workforce, reference 4.1 High wage, STEM Certificates and Degrees, 4 year Certificates & Degrees in STEM
- Data for NH students in underserved areas if possible. Geographical data

1.2 Increase Financial Aid Participation/Award – Native Hawaiian

- Shall we or can we track external financial aid awards for NH?

1.3 Increase Developmental Education Success – Native Hawaiian

- Recommendation: Capture data for ALL NH students instead of for only AtD cohort.

1.4 Increase Persistence/Graduation/Transfer – Native Hawaiian

- Track “PACE” to graduation
- Rate of change/growth. See Graduation Initiative – increase by 25% of population having a degree or certificate by 2025

Next Meeting: October 9, 2013

*Committee prefers face-to-face meetings on O‘ahu. Noreen will check with UHCC System Office to find out if there are funds for this face-to-face meeting.

*Lui graciously approved our request to have this meeting at UH West O‘ahu. Place TBA
