- I. Vice President Morton welcomed and reminded that this annual spring update was a “first-look” at our data. First impressions and reactions to progress to date, and a means of keeping the focus on the things we said are important to us.
- II. UHCC Data Update – Cheryl Chappell-Long presented Strategic Plan Update attached.
- III. Vice President Morton commented that outcomes in enrollment and financial aid are good and we need to focus on moving students through the system. He will be visiting each college with their annual spring update. Then he will report to the Board. He noted that the BOR subcommittee on Community Colleges is more active and is making campus visits.
- IV. Next Meeting - TBD
