HB 924 – RELATING TO A COLLEGE SAVINGS PROGRAM TAX CREDIT

Chair Chang, Vice Chair Bertram, and Members of the Committees:

The purpose of HB 924 is to establish a college savings program tax credit.

The University of Hawai'i appreciates the intent of the Legislature to provide incentives for individuals to save and plan for higher education. The University supports the intent of this bill, as long as it does not replace or adversely impact the University's Board of Regents approved Biennium Budget request.

Thank you for the opportunity to testify on this bill.
