HB 2671 – Relating to a Kakaako Makai Parking Structure

Chair Oshiro, Vice Chair Lee and committee members:

The University of Hawai'i supports HB 2671 that authorizes the issuance of general obligation bond funds to HCDA for planning a centralized parking structure in Kakaako Makai.

We concur with the intent of the bill that provides for efficient master planning of the parking requirements in the makai area of Kakaako and commit to working closely with HCDA in their planning of this project.

Thank you for this opportunity to testify in support of HB 2671.
