HB 251: RELATING TO MANDATORY ETHICS TRAINING

Chair Keith-Agaran, Vice Chair Rhoads, and members of the House Committee on Judiciary:

Thank you for the opportunity to testify on HB 251 that amends Section 84-41 of the Hawai'i Revised Statutes to require the University of Hawai'i president, vice presidents, assistant vice presidents, chancellors, and provost to complete a mandatory ethics training course within sixty days of their appointment to state office.

The University has no objection to the bill and appreciates the opportunity to participate in training offered by the state Ethics Commission.

Thank you very much.
