## Legislative Testimony

---

Testimony Presented Before the  
House Committee on Higher Education  
January 28, 2014 at 2:00 p.m.

by  
Howard Todo, Chief Financial Officer  
Vice President of Budget & Finance  
University of Hawai'i

### HB 1653 – RELATING TO THE UNIVERSITY OF HAWAII

Chair Choy, Vice Chair Ichiyama and members of the Committee:

We appreciate Chair Choy's introduction of this measure, which creates an official consolidated financial report to be submitted by the University of Hawai'i System to the Legislature. We have attached a chart that summarizes most, but not all, of the various types of financial reports that we are required to submit to the Legislature on an annual basis.

We believe that this fragmented reporting has contributed to the lack of understanding of our University system's finances, which are more complicated than a typical state agency. However, we are required by law to comply with these reporting requirements. We further believe that this measure acknowledges that an official consolidated financial report will provide information in a more straightforward and standard format that could be more easily understood by legislators and the public alike.

Finally, we note that many University Systems across the country prepare consolidated financial reports for distribution to internal constituents and for external partners, such as legislative bodies, federal grant agencies, and private foundations. We would appreciate the opportunity to prepare and submit a similar report about the University of Hawai'i System.

Mahalo for your consideration of our testimony.
