By

Carolyn Ma, PhD and Interim Dean  
UH Hilo - Daniel K. Inouye College of Pharmacy

### HB 1896 – RELATING TO CONTRACEPTIVE SUPPLIES

Chair Belatti, Vice Chair Creagan and members of the committee:

My name is Carolyn Ma, and I am the interim Dean for the Daniel K. Inouye College of Pharmacy (DKICP). The college finds this an interesting proposal. The Pharmacy profession is still looking into the feasibility, however, the DKICP would be willing to be part of the planning process, specifically as it relates to the education and preparation of pharmacists in order to provide the services described should this bill become law.

Thank you for the opportunity to testify.
