Chair Nakashima, Vice Chair Keohokalole, and members of the committee:

Thank you for the opportunity to testify on HB 2362. The University of Hawai'i Community Colleges (UHCC) strongly supports House Bill 2362. This measure aligns the HRS with administrative changes required by the Workforce Innovation and Opportunity Act of 2014.

Your support of the UH Community Colleges is greatly appreciated. We look forward to continuing our active and committed engagement in these public-private partnerships and advancing academic development efforts.
