**Report to the Hawai`i Legislature  
Hawai`i P-20 Initiative and Plans for Education in the Twenty-First  
Century**

**2008**

Prepared By  
Tammi Chun, Executive Director, Hawai`i P-20 Initiative

Act 281, Session Laws of Hawai`i 2007 (Senate Bill 688, SD 2, HD 1, CD 1) became law effective July 10, 2007. The purpose of the Act is to fund the Hawai`i P-20 Initiative, in order to provide the impetus to develop the vision and plans for education in Hawai`i for the twenty-first century. The Act provides an appropriation of \$50,000 annually (FY 2008 and FY 2009) to the University of Hawai`i to enable the Hawai`i P-20 Initiative to organize meetings and electronic communication for this purpose. Because the appropriated funds were never released to the University, the Hawai`i P-20 Initiative did not have the resources to conduct the meetings or to create a medium of electronic communication, as directed by the Act.

Should funds be released in the future, the Hawai`i P-20 Initiative stands ready to conduct these activities.
