Twenty-First Century**

Education

Act 281, Session Laws of Hawai`i 2007 (Senate Bill 688, SD 2, HD 1, CD 1) became law effective July 10, 2007. The purpose of the Act is to fund the Hawai`i P-20 Partnerships for Education, in order to provide the impetus to develop the vision and plans for education in Hawai`i for the twenty-first century. The Act provides an appropriation of \$50,000 annually (FY 2008 and FY 2009) to the University of Hawai`i to enable Hawai`i P-20 to organize meetings and electronic communication for this purpose. Because the appropriated funds were never released to the University, Hawai`i P-20 did not have the resources to conduct the prescribed meetings or to create a medium of electronic communication, as directed by the Act.

Should funds be released in the future, Hawai`i P-20 Partnerships for Education stands ready to conduct these activities.
