SB 2366 Relating to tuition assistance

Chairs Sakamoto, Kawamoto, and Members of the Committees:

The University supports SB 2366 which provides \$1 million for tuition assistance to members of the Hawaii National Guard who are undergraduate students working toward a degree on any campus of the University of Hawaii system. The funds will be expended by the Department of Defense.

The University acknowledges the special and important contribution of these individuals to our state as well as our campuses.

Thank you for the opportunity to testify in support of SB 2366 and for your continuing support of our students.
