

Testimony Presented Before the  
Senate Committee on Ways and Means

March 3, 2004

by

Wai-Fah Chen, Dean and Professor  
University of Hawaii College of Engineering

S.B. 2379 Relating To A Construction Research Program

Chairperson Taniguchi, Vice Chairperson Kokubun and Members of the Committee:

Thank you for the opportunity to present testimony on this bill relating to a construction research program. At this time, however, we wish not to express an opinion on this program. The University of Hawaii Legislative Guidelines requires official positions on issues expressed by the University follow established policies and procedures.
