SB 2650 – RELATING TO THE UNIVERSITY OF HAWAII

Chair Sakamoto, Vice Chair Tokuda, and Members of the Committee:

The University of Hawaii wishes to express its willingness to compile an inventory of its real estate holdings containing the information requested in this bill and submit the inventory in accordance with the time schedule provided as we would in response to any legislative request for information. Accordingly, we do not see the need for the Legislature to expend its valuable time and energy on such a measure.

Thank you for this opportunity to testify with respect to SB No. 2650.
