### **SB 2022 – RELATING TO CHILD SUPPORT**

Chair Suzanne Chun Oakland, Vice Chair Josh Green, and members of the committee on Human Services:

This bill involves child support payments to an adult child either pursuing or plans to attend post-secondary education on a full-time basis. SB 2022 impacts the University from an enrollment verification standpoint.

The University has in place, a process for students to verify their enrollment in order to fulfill the proposed requirements contained in the bill. As such, the University neither opposes nor supports these bills. Instead, the University stands ready to assist the Child Support Enforcement Agency, students, and their parents in the enrollment verification process.

Thank you for the opportunity to offer testimony on SB 2022.
