TO: All State and County Part-time and Temporary Employees (*not eligible to enroll in EUTF's medical/prescription drug plans for full-time employees; e.g., 89-day hires, less than 50% FTE, casual hires, substitute teachers, etc.*)

FROM: Derek M. Mizuno, Administrator 

SUBJECT: Medical and Prescription Drug Plans Being Offered to Part-time and Temporary Employees – **Corrected Rates**

The State of Hawaii (including the Department of Education, University of Hawaii, Hawaii Health Systems Corporation, Legislature, Judiciary, Office of Hawaiian Affairs, City & County of Honolulu, County of Hawaii, County of Maui, County of Kauai, and certain Charter Schools using Altres payroll) is offering medical and prescription drug plans, administered by HMSA and Kaiser, to part-time and temporary employees *who are not eligible to participate in EUTF's medical and prescription drug plans for full-time employees.*

Q1. Who is eligible to enroll in the EUTF plans for part-time and temporary employees?

All part-time and temporary employees *who are not eligible to participate in EUTF's medical and prescription drug plans for full-time employees.* Examples of employees who are eligible to participate in the EUTF plans for part-time and temporary employees include employees who are hired for less than a 90-day appointment, employees who are hired for less than 50% full-time equivalency, substitute teachers, and casual hires.

Q2. Am I required to enroll?

No. Participation is voluntary.

Q3. If I elect NOT to enroll under the EUTF plans for part-time and temporary employees, what do I need to do?

Do nothing. You only need to take action if you wish to enroll.

Q4. If I am eligible for coverage under the EUTF plans for part-time and temporary employees, can I enroll my spouse, domestic or civil union partner, and children?

You may enroll yourself and your children under age 26. You may not enroll your spouse, domestic partner or civil union partner.

Q5. How much will I pay for my coverage under the EUTF plans for part-time and temporary employees?

Monthly rates effective 7/1/2020 through 6/30/2021 (corrected):

HMSA 75/25 Plan including prescription drug:

- Self \$1,344.58
- 2-Party \$2,285.68
- Family \$3,227.08

Kaiser Plan including prescription drug:

- Self \$ 499.00
- 2-Party \$ 997.98
- Family \$1,496.96

Q6. Do I have other options for purchasing medical and prescription drug insurance?

Yes. You may qualify to enroll in the plans offered through the federal Health Insurance Marketplace. Please visit their website at www.healthcare.gov for more information.

Q7. Will the State or county pay part of my premium under the EUTF plans for part-time and temporary employees?

No. If you enroll, you will be required to pay the full premium listed above in Q5.

Q8. What are the benefits for each plan option under the EUTF plans for part-time and temporary employees?

Attached is a summary of the benefits for each plan option. You may visit each carrier's website for more detailed information or call their customer call center. See Q15 for their website addresses and customer call center phone numbers.

Q9. Do the EUTF plans for part-time and temporary employees constitute "Minimum Essential Coverage," under the standards set by the federal Affordable Care Act?

Yes. Both plan options under the EUTF plans for part-time and temporary employees qualify as minimum essential coverage under the federal Affordable Care Act.

Q10. Will dental and vision coverage be offered?

No.

Q11. When are the enrollment forms due and when is the coverage effective?

Your enrollment form and payment must be received by HMSA or Kaiser within 30 days of your date of hire. For enrollment forms and payments received by the 10th of the month, coverage will begin the first of the following month. For enrollment forms and payment received after the 10th of the month, coverage will begin the first day of the second following month.

Example: Employee hired June 1st and sends HMSA or Kaiser the enrollment form and payment by June 9th, coverage begins on July 1st. Or, employee hired June 1st and sends HMSA or Kaiser the enrollment form on June 21st, coverage begins on August 1st.

Q12. When will my eligibility for coverage end under the EUTF plan for part-time and temporary employees?

Your eligibility for coverage will end on the last day of the month when either 1) your State or county employment ends or 2) you move into a State or county position that allows you to enroll in one of the EUTF plans for full-time employees. Contact HMSA or Kaiser right away to terminate your coverage when your part-time/temporary employment ends.

Q13. If I am serving an 89-day appointment and I have a one-day break in service and am re-hired into another 89-day appointment by the same employer or another State or county employer, must I terminate my coverage?

No. You must notify your carrier to terminate your coverage when you are no longer working in any State or county part-time or temporary employment. If you are hired into a State or county position that makes you eligible for EUTF's health plans for full-time employees, you must terminate your coverage in the plan for part-time and temporary employees (and you may enroll in one of the EUTF health plans for full-time employees at that time).

Q14. How do I know if I'm eligible to participate in the EUTF medical and prescription drug plans for full-time employees?
