REQUEST FOR EXEMPTION FROM CHAPTER 103D, HRS

TO: OFFICE OF PROCUREMENT AND REAL PROPERTY MANAGEMENT

FROM: University of Hawaii - West Oahu

(Please specify Department/Program)

Pursuant to APM Section A8.220, the Department requests a procurement exemption to purchase the following:

Description of goods, services, or construction:
Advertising in the Honolulu Advertiser Kauai People every other week September 2 – November 25, 2009 and January 13 – March 17, 2010 13, 2 column x 5” ads
Advertising on HonoluluAdvertiser.com (Kauai People page) September, October and November 2009. Big Box ad (in-story).
Average 3,500 to 4,000 impressions/month

We are placing advertising during this period to capitalize on the peak time period for recruiting new health care administration distance learning students on Kauai for the spring and fall 2010 semesters.

Estimated Cost: $2,941.05

(1) Explanation describing how procurement by standard competitive means is either not practicable or not advantageous to the University;

The use of Superquote is not practical. The Honolulu Advertiser’s Kauai People was selected due to the high readership of 61,600, with a direct-mail distribution of 30,800 that reaches almost every household on Kauai, unlike competing publications targeting Kauai residents. It is the only Honolulu Advertiser People publication in the state that continues to remain in print including editorial articles and featuring advertisements by major retailers such as Longs Drugs.

HonoluluAdvertiser.com hosts the only major newspaper web page in the state targeting Kauai resident community news. Advertisements on this site are designed to reach potential Kauai resident health care administration distance learning students that are likely to already be comfortable with accessing information online.

(2) Details of the process or procedures to be followed in selecting the vendor to ensure as fair and open competition as practicable;

The Honolulu Advertiser Kauai People print edition is direct-mailed to almost every household on Kauai, making it the most effective medium for advertising the UH West Oahu Health Care Administration distance learning program to Kauai residents. The online edition aligns well with Kauai residents who are already comfortable with accessing information online and most readily accepting of distance learning instruction.
