REQUEST FOR EXEMPTION FROM STANDARD METHODS OF SOURCING/SELECTION

TO: OFFICE OF PROCUREMENT AND REAL PROPERTY MANAGEMENT

FROM: College of Arts and Humanities

(Department/Program)

Pursuant to APM Section A8.220, the Department requests a procurement exemption to purchase the following:

Description of goods, services, or construction:
Procurement of moving services for the University of Hawaii at Manoa, Dean of the College of Arts and Humanities appointee, Dr. Peter Arnade, to ship household items and two automobiles from San Diego, California to Honolulu, Hawaii. The Board of Regents approved the appointment on May 17, 2012 with a start date of June 28, 2012.

Estimated Cost: $ 34,000.00

(1) Explanation describing how procurement by standard competitive means is either not practicable or not advantageous to the University;
The use of the formal invitation for bids is not practical because it will be difficult to secure sufficient detailed information from the appointee regarding the items to be moved to develop adequate written specifications in the IFB document. Obtaining quotes based on visual inspection of items to be moved from the mainland by the prospective moving firms would get the most accurate quote. In addition, due to the short turnaround time when the moving services may be required, June 30, 2012, there is insufficient time to complete a formal bidding process and issue a purchase order in time. Their current house was put on the market because of the move to Honolulu. They accepted an offer on it and went into escrow on May 23, 2012.

(2) Details of the process or procedures to be followed in selecting the vendor to ensure as fair and open competition as practicable;
In the interest of time the appointee will obtain three written quotes from reputable potential vendors in San Diego. The lowest bidder that is able to meet the requirements of the move will be selected.
(3) A description of the Department's internal controls and approval requirements for the exempted procurement: and
The procurement procedures performed by the Appointee allowed for adequate and reasonable competition. Since the award will be made to the lowest responsive and reasonable bidder the department confirms appointee's method of procurement is acceptable.

(4) A list of Department personnel, by position title, who will be involved in the approval process and administration of the contract:
