REQUEST FOR EXEMPTION FROM CHAPTER 163D-19RS

TO: OFFICE OF PROCUREMENT AND REAL PROPERTY MANAGEMENT

FROM: Library Services Department

Pursuant to APM Section A8.220, the Department requests a procurement exemption to purchase the following:

Description of goods, services, or construction:
Procurement of moving services for the University of Hawaii at Manoa, University Librarian appointee Dr. Irene Herold, to ship household items and two automobiles from New Hampshire to Honolulu, Hawaii.

Estimated Cost: $36,000

(1) Explanation describing how procurement by standard competitive means is either not practicable or not advantageous to the University;

The use of the formal invitation of bids is not practical because the appointee is located in New Hampshire, making it difficult to obtain enough detailed information for the invitation for bids specifications. Quotations are based on visual inspections of items to be moved from the East Coast mainland and prospective moving firms that are able to conduct a visual inspection would get the most accurate quote. The timeframe that the appointee would need the moving services is on short notice, completion of a formal bidding process would not allow for an expeditious move from New Hampshire to Honolulu by the appointee.

(2) Details of the process or procedures to be followed in selecting the vendor to ensure as fair and open competition as practicable;

To facilitate the processing and in the interest of time, the appointee will obtain three written quotes from reputable potential vendors that provide moving service for the New Hampshire area. The vendor that is able to meet the requirements at the lowest cost for of the move will be selected.
(3) A description of the Department's internal controls and approval requirements for the exempted procurement; and

The procurement procedures being used for the appointee's moving services does allow for adequate and reasonable competition as the award for moving services would be made to the vendor that provides the lowest cost response that the department confirms. This process and method of procurement is acceptable by the department.

(4) A list of Department personnel, by position title, who will be involved in the approval process and administration of the contract:

Eric Fujiwara - Fiscal Administrator
Susan Weber - Interim Associate University Librarian
Gregg Geary - Interim University Librarian
