REQUEST FOR EXEMPTION FROM CHAPTER 103D, HRS

TO: OFFICE OF PROCUREMENT AND REAL PROPERTY MANAGEMENT

FROM: Office of the Vice President for Community Colleges
(Department/Program)

Pursuant to APM Section A8.220, the Department requests a procurement exemption to purchase the following:

Description of goods, services, or construction:
In-theatre on-screen advertising in select Consolidated Theatres in Hawai‘i to advertise the benefits and programs of UH Community Colleges. The 30-second spots will run prior to each movie in selected theatres starting from 9/21/2012 to 9/20/2013. The price includes 52 weeks of advertising on 52 movie screens in select Consolidated Theatres on O'ahu and Maui, plus production/handling costs of the 30-second spots.

Estimated Cost: $32,898.00

(1) Explanation describing how procurement by standard competitive means is either not practicable or not advantageous to the University;
Since the vendor, Screenvision Direct, is the sole contracted company by Consolidated Theatres to offer on-screen advertising in Hawaii, it would not be practicable to request superquote bids. Screenvision Direct is the only company that sells advertising in the Consolidated Theatres in Hawaii, there is no other supplier that provides 30-second commercial advertising in Consolidated Theatres. The only other provider of in-theatre advertising is National CineMedia, which only represents Regal Theatres in Hawaii. We also have a request for exemption for theater advertising with National CineMedia.

(2) Details of the process or procedures to be followed in selecting the vendor to ensure as fair and open competition as practicable;
Quotes were requested and received from both Screenvision Direct, sole provider of advertising in Consolidated Theatres, and National CineMedia, the sole provider of advertising in Regal Theatres. The prices were fair and very comparable to each other. The price for advertising in Consolidated Theatres for a 52-week term remained the same low price as we've received in 2010 and 2011. The UH Community Colleges strategic marketing plan is based on reaching the largest teen and young adult markets possible in the most cost effective way. As you know, many teens and young adults go to the movies for entertainment. Advertising inside of a theater is an important medium in our quest to reach this target group. It is a unique way in which to communicate our marketing message and persuade prospective students to choose the community colleges as their higher education pathway. They are least likely to be distracted in a quiet, dark theater, and more likely to retain information they've seen or read on the movie screen. According to statistics, Consolidated Theatre frequent moviegoers are 65% more likely to attend school part-time to attain their education pursuits.
(3) A description of the Department’s internal controls and approval requirements for the exempted procurement; and

For previous purchases of in-theatre advertising in 2010 and 2011, we used an exemption from the standard methods and source selection pursuant to APM section A8.220, Exemption No. 31, described as any "radio, television airtime, print or other media when selection is to be made by current audience/reader demographics." In-theatre, onscreen advertising is considered "other media" that was selected on the basis of audience demographics. We used this procurement exemption in 2010 and 2011 for the purchase of theater advertising; however, as of July 1, 2012, when the University reverted back to the requirements of the State of Hawai‘i Public Procurement Code, "other media" is not included in A8.220, Exemption No. 31. Only radio, TV and print are included as exempted purchase for advertising.
