REQUEST FOR EXEMPTION FROM CHAPTER 103D, HRS

TO: OFFICE OF PROCUREMENT AND REAL PROPERTY MANAGEMENT

FROM: Communications Department, UH West Oahu

(Please provide specific department/program details here)

Pursuant to APM Section A8.220, the Department requests a procurement exemption to purchase the following:

Description of goods, services, or construction:
A 14-week cinema campaign for UH West Oahu to help increase admissions and enrollment by targeting potential students in the geographic regions near the campus in Kapolei. The advertisements would be 10 seconds long and would run prior to the previews and movie. The cost of the contract includes the production of the ad.

Estimated Cost: $10,000

(1) Explanation describing how procurement by standard competitive means is either not practicable or not advantageous to the University:
There are two movie theater companies on Oahu: Consolidated Theatres and Regal Cinema. Screenvision Direct, Inc., runs the advertising for Consolidated Theatres and NCM Media Networks runs the advertising for Regal Cinema. Consolidated Theatres/Screenvision runs the three theaters located near UH West Oahu in Kapolei: Pearlridge West 16 (Aiea), Millili 14 (Millili), and Kapolei 16 (Kapolei). These are the target areas where UH West Oahu would like to advertise because of the potential students who live near the campus. Regal Cinemas/NCM has one theater location near the campus in Pearl Highlands Therefore, procurement by standard competitive means is not practicable because Screenvision is the only company that can provide the service that UH West Oahu is looking for in terms of target demographics. Additionally, Pearlridge West 16 is the second most popular "mall based" theater in the state (per Screenvision). Kapolei 16 is the only theater that services the west side of Oahu (per Screenvision). Millili 14 is the most popular theater in Central Oahu. It is the only theater that services Central Oahu and the North Shore (per Screenvision).

(2) Details of the process or procedures to be followed in selecting the vendor to ensure as fair and open competition as practicable:
The Communications Department reviewed proposals from both Screenvision and NCM. However, due to the locations of Consolidated Theatre's theaters, it was determined that Screenvision was the only entity that could provide the service that UH West Oahu requires.
(3) A description of the Department's internal controls and approval requirements for the exempted procurement; and

The department's Public Information Officer (PIO) solicited proposals from both vendors and reviewed them with the Director of Communications. It was determined that only one vendor could provide the service.

(4) A list of Department personnel, by position title, who will be involved in the approval process and administration of the contract:
