REQUEST FOR EXEMPTION FROM CHAPTER 103D, HRS

TO: OFFICE OF PROCUREMENT AND REAL PROPERTY MANAGEMENT

FROM: UNIVERSITY OF HAWAII CANCER CENTER

Pursuant to APM Section A8.220, the Department requests a procurement exemption to purchase the following:

Description of goods, services, or construction:
Procurement of moving services for Dr. Randall Holcombe, University of Hawaii Cancer Center (UHCC) Director to ship household items and two automobiles from New York, New York to Honolulu, Hawaii.

Estimated Cost: $20,000.00

(1) Explanation describing how procurement by standard competitive means is either not practicable or not advantageous to the University;
Procurement by standard competitive means is not practicable or advantageous since prospective vendors would need to conduct an in-home survey of the items to be relocated in order to provide an accurate quote. Since there are many factors that affect price (volume, weight, time, accessibility, special handling, etc.), it is essential that prospective vendors conduct an on-site inspection to collect critical information necessary for an accurate estimate. As such, it would be most feasible to solicit quotes from prospective vendors in the New York area.

(2) Details of the process or procedures to be followed in selecting the vendor to ensure as fair and open competition as practicable;
The program will obtain three (3) written quotes from reputable potential vendors in the New York area. The lowest offeror that is able to meet the requirements of the move will be selected.
(3) A description of the Department’s internal controls and approval requirements for the exempted procurement; and

The procurement procedures being used for the appointee’s moving services allow for adequate and reasonable competition as the award for moving services would be made to the vendor that provides the lowest quote. The process and method of procurement will be initiated by the UHCC Associate Director’s Office and reviewed and approved by the UHCC Fiscal Office.
