A9.740  TAX DEFERRED ANNUITY PROGRAM (TDA)

1. Purpose. To promulgate the description of the Tax Deferred Annuity Program in accordance with Section 403(b) of the Internal Revenue Code of 1954 and Section 303-2t HRS, Contract of Purchase of Annuities, and Section 303-3, BRS, Premium Withholding and Board of Regents' Policy 9-13c, Tax Deferred Annuity.

2. To prescribe policies and procedures for the University Voluntary Tax Deferred Annuity Program whereby employees may take advantage of tax benefits provided.

3. Any faculty and staff member of the University of Hawaii, including Civil Service personnel who are paid through the regular payroll may participate in the TDA program by deferring portions of such earnings to the plan(s) of their choice. However, any earnings paid through the casual payroll may not be deferred to such TDA plans. Interested individuals must contact one of the authorized companies or agents. The company or agent will enroll the employee and submit Form D-60 and TDA-1 (Attachment B) to the respective designee(s) of the Chancellors, Vice Presidents, and of the Deans and University Librarian at Manoa (henceforth, Administrative Officer). The Administrative Officer is responsible for processing Form D-60.

4. Guidelines

a. The University of Hawaii will process TDA contract agreements as provided for by law and BOR policy.

1) For federal and state income tax purposes the amount of deferred income or salary, up to the exclusion allowance established under the Internal Revenue code, shall be excluded from the employee's current gross income for the taxable year.

2) Contributions to the State Retirement System are
computed on the basis of the gross salary before income is deferred for the TDA program.

b. Interested employees should contact any of the authorized companies or agents listed on Attachment A. Individual consultation with insurance representatives, however, is to be conducted during employee's own time or during non-working hours.

c. Employees will be permitted to have more than one TDA plan. However, no more than one agreement or change from an annuity contract may be made during any taxable year. (AG Opinion 71-4)

d. Agents who arrange for TDA policies are responsible for advising employees on the exclusion allowance permitted under the IRS code. Employees should request that the agent provide a copy of the exclusion allowance computation to ensure that they do not exceed the allowable amount.

e. Any agreement reached between an employee and an authorized company agent is the responsibility of the employee. The University assumes no responsibility or tax liability which may arise from such agreement.

f. All participating employees shall be responsible for informing their TDA plan representatives and arranging any necessary temporary cancellation or suspension of their account whenever going on leave without pay.

g. Insurance companies and agencies that are authorized to enroll eligible employees in their TDA plan(s) must comply with applicable provisions of this Administrative Procedure, the State Regulatory Agency's Memorandum 1976-12 and other state and federal statutes and regulations as may be applicable. Non-compliance will cause to revoke authorization to enroll additional employees into its plan(s).

h. Forms D-60 and TDA-1 may be obtained from the Personnel Management Office, Employee Welfare Section.

However, the forms must be in the office of the Administrative Officer eight (8) working days before the end of the month to ensure delivery to DAGS on time.

     . For the Manoa Campus, daily delivery to DAGS is available through the Disbursing Office, Lower Campus.

     . For other University components the form is to be mailed or delivered to:

        Preaudit Section

3) A Form D-60 which is submitted to change the amount of the TDA with the same company (same agent code) will automatically replace the current Form D-60. A separate cancellation is not required.

4) Before increasing the amount of a TDA plan, the employee should request recomputation of the exclusion allowance to avoid exceeding the limit.

NOTE: Incomplete or erroneous forms will be returned to the agent for correction. Employees who wish to increase the amount of their TDA plan toward the end of the calendar year to maximum the federal income tax advantage should seek advice from their insurance company's representative before October of each year. This should permit sufficient time to accommodate the desired change.

c. Termination (Cancellation of Plan):

1) The TDA agreement will automatically be revoked upon termination of employment.

2) A TDA agreement can be cancelled only by completing the Form D-60 portion of the University's combined form and submitting it to the Administrative Officer according to instructions on Attachment B. The agent's signature is not required on a cancellation; however, the employee should keep the agent informed. The form must be received by the Administrative Officer no later than eight (8) working days (excluding holidays) prior to the end of the pay period to be effective the following pay period. Mid-month cancellations can be made by transmitting Form D-60 to DARGS three (3) working days prior to the 16th. At Manoa the form must be in the Disbursing Office at least one full
day prior (4th day) so that delivery can be made on time.

3) An employee who wishes to cancel a TDA plan and withdraw contributions in a lump sum should consider the tax consequences of such action. Also in the case of a complete withdrawal, the request should not be sent to the insurance company until all premiums withheld have been credited. For example, if the last salary deduction is to be made from May 31 pay, the premium will normally be credited to the employee's account by approximately June 10; request withdrawal at the time.

4) Any participating employee who is planning to continue his or her TDA plan in another qualified institution (e.g. another university) will be responsible for making his or her own arrangement for coverage.

d. Filing of Income Tax:

1) All participants are responsible for filing their own income tax.
