Original Purchase Price: \$ 415,910.00 Amended Purchase Price: \$ 440,910.00

(1) The scope of work will be revised as follows:

Premium migration services being added to original agreement with subsequent increase in cost.

(2) Explanation of the reasons that the amendment is necessary:

Three University of Hawaii libraries require more assistance in migrating acquisition and course reserve data. This requires Premium Migration Services for which additional payment is required. In addition, three partner libraries, although listed on the original agreement, were not included in the count of total libraries. The amendment acknowledges the new total and their impact to the services we are receiving.
