REQUEST FOR EXEMPTION FROM CHAPTER 103D, HRS

TO: OFFICE OF PROCUREMENT AND REAL PROPERTY MANAGEMENT

FROM: Information Technology Services

(Department/Program)

Pursuant to APM Section A8.220, the Department requests a procurement exemption to purchase the following:

Description of goods, services, or construction:
Software-as-a-Service subscription for Kualii App Builder Design Partnership. Provides for participation as a design partner in the creation for future commercial deployment of "no-code" application builder service, in association with the core services produced and supported by Kualii, Inc.

Estimated Cost: \$ 225,000 (3-yr term)

(1) Explanation describing how procurement by standard competitive means is either not practicable or not advantageous to the University;
The Kualii App Builder Design Partnership is a continuation of the early development efforts under the Kualii Foundation, since migrated to Kualii, Inc. As such, this subscription represents a continuation of efforts already underway since our prior Kualii Foundation partnership, that is only available from Kualii, Inc.

(2) Details of the process or procedures to be followed in selecting the vendor to ensure as fair and open competition as practicable;
Similar functionality from other sources is continually reviewed as new products become available. While none have been developed that would tie to the Kualii core services infrastructure, any similarity with other commercial products will be used to help ensure pricing leverage with Kualii, Inc.

(3) A description of the Department's internal controls and approval requirements for the exempted procurement; and
The approach and solution will be reviewed by ITS Administrative Services Manager and lead Fiscal Administrator. Participation in the project technical review is led by senior developer(s) in the ITS Enterprise Services division.

(4) A list of Department personnel, by position title, who will be involved in the approval process and administration of the contract:
Scott Yamashita, Administrative Services Manager
Craig Shinsato, Fiscal Administrator
Cameron Ahana, Manager, Enterprise Services
