REQUEST FOR EXEMPTION FROM CHAPTER 103D, HRS

TO: OFFICE OF PROCUREMENT AND REAL PROPERTY MANAGEMENT

FROM: Office of the Vice President for Community Colleges
(Department/Program)

Pursuant to APM Section A8.220, the Department requests a procurement exemption to purchase the following:

Description of goods, services, or construction:

In-theatre on-screen advertising in select Consolidated Theatres in Hawai'i to advertise the benefits and programs of UH Community Colleges. The 30-second spots will run prior to each movie in selected theatres starting from 10/30/2015 for 10 weeks, then again starting from 4/16/2016 for 18 weeks, a total of 28 weeks. The price includes advertising on 52 movie screens in select Consolidated Theatres on O'ahu and Maui, plus production/handling costs of the 30-second spots.

Estimated Cost: \$ 24,952.00

(1) Explanation describing how procurement by standard competitive means is either not practicable or not advantageous to the University;

Since the vendor, Screenvision Direct, is the sole contracted company by Consolidated Theatres to offer on-screen advertising in Hawaii, it would not be practicable to request superquote bids. Screenvision Direct is the only company that sells advertising in the Consolidated Theatres in Hawaii, there is no other supplier that provides 30-second commercial advertising in Consolidated Theatres. The only other provider of in-theatre advertising is National CineMedia, which only represents Regal Theatres in state of Hawaii.

(2) Details of the process or procedures to be followed in selecting the vendor to ensure as fair and open competition as practicable;

Quotes were requested and received from both Screenvision Direct, sole provider of advertising in Consolidated Theatres, and National CineMedia, the sole provider of advertising in Regal Theatres. The prices were fair and very comparable to each other. The price for advertising in Consolidated Theatres for a 28-week term remained low as we've received in 2010, 2011, 2012, 2013 and 2014. We plan to run the in theatre on-screen advertising in both Consolidated and Regal Theaters based on the demographic profiles of the viewer ship among young adults to working adults which are both target markets for the community colleges.

(3) A description of the Department's internal controls and approval requirements for the exempted procurement; and

For previous purchases of in-theatre advertising in 2010 and 2011, we used an exemption from the standard methods and source selection pursuant to APM section A8.220, No. 31, described as any "radio, television airtime, print or other media when selection is to be made by current audience/reader demographics." In-theatre, onscreen advertising is considered "other media" that was selected on the basis of audience demographics. However, as of July 1, 2012, the procurement requirements reverted back to the State of Hawai'i and "other media" is not included in A8.220, No. 31. Last year, our request for exemption was approved for theater advertising for the academic year 2014-2015.
