Since all questions and responses will be posted and accessible to the public, no proprietary information or questions regarding proprietary information or material should be communicated by an Offeror to the website identified above.
1.5 QUESTIONS BY RCUH TO OFFERORS

The Offeror is responsible for ensuring the correctness and readability of its proposal. However, the RCUH reserves the right to seek clarifications during the Proposal Review Period. Content for which a clarification may be requested includes obvious mislabeling of figures or tables, illegible text (such as may occur in a figure label being reduced to too small a font size), or an obvious clerical mistake (e.g., a misplaced decimal point or obvious mistake in designation of a unit such as feet instead of meters). The authority to permit correction of proposals is limited to proposals that, as submitted, are responsive to the RFP and may not be used to permit correction of proposals to make them responsive.

1.6 CLARIFICATION OF THE RFP

An Offeror shall carefully review this RFP for defects and questionable or objectionable matter. Comments concerning defects and questionable or objectionable matter shall be promptly submitted to the RCUH prior to the Closing Date for Receipt of Offeror Questions. This shall allow issuance of any necessary amendments to the RFP. The Offeror hereby acknowledges, agrees, and waives any claim arising from any knowledge of any defect in this RFP acquired prior to the Closing Date for Receipt of Offeror Questions and failing to inform the RCUH prior to said deadline. The Offeror further acknowledges and agrees that: (1) the RCUH reserves the right to waive any technical irregularity not affecting an unbiased and objective evaluation of all proposals; (2) such waiver will be in the best interest of the RCUH; and (3) the Offeror hereby waives any claim against the RCUH arising from such technical irregularity.

1.7 TAX CLEARANCE FOR PROPOSALS

A tax clearance from the Hawaii Department of Taxation and the U.S. Internal Revenue Service is not required for submission of a proposal. However, in accordance with Section 103-53 of the Hawaii Revised Statutes, the selected contractor shall submit a valid tax clearance from the Hawaii Department of Taxation and the U.S. Internal Revenue Service prior to execution of the Agreement for Services. A Certificate of Vendor Compliance that reflects a “Compliant” status from Hawaii Compliance Express (HCE), https://vendors.ehawaii.gov/hec/splash/welcome.html is acceptable in satisfying the tax clearance requirement. Governmental agencies in the U.S. (i.e., city, county, state, federal) and any foreign governmental agencies are excepted from the tax clearance requirement.

Due to the fact that the proposal review and contract award period may be tightly scheduled, it is highly recommended that Contractors submitting proposals apply for tax clearance upon submission of the proposal in order to meet key dates.

1.8 PREPARATION COSTS

Any costs incurred by Offerors in preparing or submitting a proposal shall be the sole responsibility of the Offeror.
1.9 PROPRIETARY INFORMATION

The Offeror should clearly identify any proprietary information in the Offeror’s submitted proposal. Upon final execution of an Agreement for Services, all non-proprietary information in an Offeror’s proposal may be made available by the RCUH for public inspection upon request. Accordingly, material designated as confidential should be readily separable from the proposal in order to facilitate inspection of the nonconfidential portion of the proposal.

1.10 SUBMISSION OF PROPOSALS

Offerors may submit proposals by mail or email. Email submittals are strongly preferred. Note that the maximum allowable file size for email attachments is 10 MB, so an Offeror may need to send its complete proposal in multiple parts. If submitting by mail, please include the original and one copy. It is the responsibility of the Offeror to confirm that the RCUH has received its proposal prior to the Closing Date for Receipt of Proposals. Proposals may be modified by an Offeror prior to the Closing Date for Receipt of Proposals.

1.11 CERTIFICATION OF PROPOSAL

By submitting a proposal, the Offeror certifies that the proposal submitted to the RCUH is in accordance with any required authorization by the governing body of the Offeror’s organization. The Offeror further certifies that the information and responses contained in the proposal are true, accurate, and complete, and that the RCUH may justifiably rely upon said information for purposes of evaluation and contracting with the Offeror. If it is later discovered that any information provided in the Offeror’s proposal is false, it will result in the Offeror’s elimination from consideration.

1.12 PROPOSAL WITHDRAWAL

1.15 DISQUALIFICATION OF PROPOSALS

The RCUH reserves the right to consider as acceptable only those proposals submitted in accordance with all the requirements set forth in this RFP, and which demonstrate an understanding of the scope of work. Any proposal offering any other set of terms and conditions contradictory to those included in this RFP, or that reserves the right to accept or reject award or the right to enter into a contract pursuant to an award, may be disqualified without further notice, at the discretion of the RCUH.

An Offeror shall be disqualified and its proposal automatically rejected for any one or more of the following reasons:

- The proposal shows any noncompliance with applicable law.
- The proposal is incomplete or irregular in such a way as to make the proposal indefinite or ambiguous as to its meaning.
- The Offeror is debarred or suspended. Entities that are currently debarred or suspended from federal procurement transactions are listed in the Excluded Parties Listing System. A search can be performed at www.sam.gov to determine whether an entity has an active exclusion.

1.16 REFERENCES

The Offeror must disclose all contracts for similar services for the last five years, and these will serve as potential references to be contacted by the RCUH as part of the evaluation of the Offeror’s proposal. Points of contact and contact information should be indicated for each contract listed.

The RCUH reserves the right to contact the references named in the Offeror’s proposal and any other references provided by the Offeror during the past five years. The results of discussions with the references will be used to score the proposal, as described in Section 4 of this RFP.

1.17 SELECTION ON INITIAL PROPOSALS

The RCUH may select a Contractor on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the Offeror’s best terms. RCUH may elect to require oral presentations following the submission of proposals, if requirements for
the oral presentation process is included in Section 4.5.

1.18 BASIS FOR SELECTION

Based on the evaluation process discussed in Section 4 of this RFP, the highest ranked responsible and responsive Offeror will be selected.

1.19 PROCESS FOR NEGOTIATIONS

The RCUH will attempt to negotiate with the selected Offeror a mutually acceptable Agreement for Services. If this cannot be accomplished within 21 calendar days after initial Selection, the RCUH reserves the right to terminate contract negotiations with the first-ranked Offeror, and may select the second-ranked Offeror for negotiation of a potential award. This process may continue in order of Offeror ranking until a mutually acceptable Agreement for Services is achieved with the RCUH and an award is made to a selected Offeror.

1.20 AVAILABILITY OF FUNDS

Offerors are advised that entering into an Agreement for Services is contingent upon availability of funds. If funds are not available, the RCUH reserves the right not to enter into an agreement.

1.21 NOTICE TO PROCEED

The RCUH shall not be responsible for work done, even in good faith, prior to the RCUH’s execution of an Agreement for Services unless specific provisions are made in the Agreement for Services.

1.22 CHANGES TO CONTRACTOR’S FEE

It is recognized that financial audit disallowances and other changes may require adjustments in the compensation due to the Contractor. In the event that future actions would either disallow or minimize the payments already made to the Contractor, the Contractor shall assist the RCUH in defending the correctness of the claim for reimbursement. If the disallowance or adjustment is upheld, then the Contractor will repay RCUH to the extent the amount of the disallowance or adjustment was included in the total fee received by the Contractor. Payment to the RCUH shall be made within THIRTY (30) calendar days from which official notice is received by the Contractor from the RCUH.

1.23 PROCUREMENT OFFICER

This RFP is issued by the Research Corporation of the University of Hawaii, on behalf of the UH Office of the Vice President for Research and Innovation. The Delegated Procurement Officer responsible for overseeing the RFP process and Agreement for Services is Kevin Hanaoka.
SECTION 2 – STATEMENT OF WORK

Background

The University of Hawaii (UH) is a public university founded in 1907. Its flagship research campus, University of Hawaii at Manoa, is classified as a Carnegie R1 institute of higher education. As a productive research university, faculty, staff and students use a variety of tools to solve today’s problems and to answer complex questions. There has been a growing interest in conducting research with diverse populations through online mechanisms. As such, the UH is in need of a reliable, efficient, trackable and centralized system to provide research incentives, such as e-gift cards, to human subjects for researchers on all its campuses. The campuses are as follows:

- UH Manoa
- UH Hilo
- UH West Oahu
- Hawaii Community College
- Honolulu Community College
- Kapiolani Community College
- Kauai Community College
- Leeward Community College
- Maui College
- Windward Community College
- UH System Offices

Statement of Work

The UH Office of the Vice President for Research and Innovation intends to issue a year-to-year contract, with an initial maximum contract term of three years.

The awarded supplier will provide a payment card program that includes gift cards that can be used at specific retail stores and/or a pre-loaded VISA/MasterCard that can be used anywhere credit cards are accepted. The gift cards will allow a means of compensating research subjects (without a penalty or activation charge). Cards paid out are considered compensation to the research subjects and are reportable to the IRS.

The awarded supplier should have experience in providing gift card services to colleges and universities, preferably Carnegie R1 institutions, for the purpose of paying research incentives.

Priorities for the card program are:

- A comprehensive stored valued payment card program that is simple and easy to administer;
- Secure handling of sensitive research information and the capability of the program to maintain the confidentiality of research subjects;
• Offer plastic gift cards inclusive of mailing services and e-gift cards
• Offer the ability for the card redeemer to choose to donate to a non-profit
• Cards that can be used at specific stores
• Cards that can be used like VISA/MasterCard at any location that accepts credit cards without a penalty, activation charge
• Cards that can be redeemed internationally
• No card fees
• The ability to withdraw funds from remaining cards that have been purchased, but never issued to any participants (“unused cards”)
• Allow UH to order cards with different denominations (e.g., $5 USD, $25 USD, etc.)
• Cards without expiration dates
• An online catalog that would allow campus departments to order cards directly

Selected Supplier will be expected to provide excellent service, creativity, and flexibility to the University. The Supplier must identify an individual to serve as the University’s primary contact for the duration of the contract. In addition, in case there is a change in staff, the Supplier will provide the name and contact information of a supervisor responsible for all aspects of the University’s contract.

If the primary Supplier contact cannot address billing issues, the Supplier will provide the name and contact information of the individual responsible for billing and accounting.

**Reporting Requirements**

Ability to provide comprehensive reports, including amounts utilized by the researcher, research project, departments, etc. with the capability to query data. These reports can be provided on request by the Supplier or through an online transactional based tracking-system that is accessible to researchers and administrators at UH.

A. Reports will distinguish between taxable and non-taxable income for 1099 reporting.
B. Where applicable, blinded reporting must be used to protect Personal Identifiable Information.
C. The awarded supplier will prepare and issue 1099 reports to study participants.

Please note that because secure handling of research information and maintaining confidentiality of research subjects are important, prospective suppliers should ensure that they read the Attachment E. Other Special Conditions section of the draft contract attached to this RFP. The Special Conditions section contains the terms and conditions that UH expects the prospective supplier to adhere to in protecting and safeguarding sensitive information.

Description of Services Provided:
SECTION 4 – EVALUATION OF PROPOSALS AND BASIS FOR AWARD

4.1 EVALUATION OF OFFEROR PROPOSALS

All responsive proposals received by the Closing Date for Receipt of Proposals of 4:30 PM Hawaii Standard Time, August 6, 2020, will be evaluated and scored.

4.2 EVALUATION COMMITTEE

A committee, comprised of at least three (3) representatives, will evaluate and score each proposal submitted after review of all proposals and completion of oral presentations, if required. The committee will submit its evaluations to the Delegated Procurement Officer, who may also be a representative on the committee. The Delegated Procurement Officer will review the RFP and the evaluations before the selection of a Contractor. The firm with the highest score according to the criteria shown in this section shall be awarded the contract.

4.3 CRITERIA FOR PROPOSAL EVALUATION AND SCORING METHOD

The scoring and subsequent ranking of each proposal will be based on a scoring method using weighted formulas for technical merit (ability to meet scope of work/schedule), qualifications and expertise, references, and price. The total score for each proposal will be on a scale of 0 to 100 points. Four general categories will be used to evaluate the proposals:

<table>
<thead>
<tr>
<th>Category</th>
<th>Maximum Number of Points per Category</th>
</tr>
</thead>
<tbody>
<tr>
<td>Technical merit</td>
<td>40</td>
</tr>
<tr>
<td>Qualifications and expertise</td>
<td>25</td>
</tr>
<tr>
<td>References</td>
<td>10</td>
</tr>
<tr>
<td>Price</td>
<td>25</td>
</tr>
<tr>
<td>Total</td>
<td>100</td>
</tr>
</tbody>
</table>

4.3.1 DETAILED EVALUATION FORMULA FOR PROPOSED TECHNICAL APPROACH

Within the above general categories, points will be further divided as follows:

<table>
<thead>
<tr>
<th>Technical Merit</th>
<th>Maximum Number of Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Breadth of card options</td>
<td>10</td>
</tr>
<tr>
<td>Ease and security of online tool – especially handling sensitive research information and protecting identity of research subjects</td>
<td>20</td>
</tr>
<tr>
<td>Demonstrated quality of work</td>
<td>10</td>
</tr>
</tbody>
</table>
Price

A pricing formula shall be used to allot points based on the Offeror’s price and the price of the lowest bidder.

The proposal that offers the lowest price shall receive the designated maximum available points for this particular section. The points allocated to higher priced proposals shall be equal to the lowest proposal price multiplied by the maximum points available for proposal cost which is divided by the higher proposal cost.

Example: Maximum points for cost = 25 points

Offeror A’s total cost: $50,000 (Lowest Cost) – Awarded 25 points
Offeror B’s total cost: $55,000 (Higher Cost) – Awarded 23 points (25 x $50,000/$55,000)
Offeror C’s total cost: $60,000 (Highest Cost) – Awarded 21 points (25 x $50,000/$60,000)

References

The References category will be scored by selecting up to three of the Offeror’s previous or current customers, and factoring their responses to standardized questions, into the evaluation.

4.4 BASIS FOR SELECTION AND AWARD OF AN AGREEMENT FOR SERVICES

The RCUH will select and attempt to negotiate a mutually acceptable Agreement for Services with the first-ranked Offeror. If this cannot be accomplished within 21 calendar days after initial Selection, the RCUH reserves the right to terminate contract negotiations with the first-ranked Offeror, and may select the second-ranked Offeror for negotiation of a potential award. This process may continue in order of Offeror ranking until a mutually acceptable Agreement for Services is achieved with the RCUH and an award is made to a selected Offeror.

In the performance of services required under this Agreement, CONTRACTOR shall be an “independent contractor”, with the authority and responsibility to control and direct the performance and details of the work and services required under this Agreement; however, RCUH shall have a general right to inspect work-in-progress to determine whether in RCUH’s opinion, the services are being performed by CONTRACTOR in accordance with the provisions of this Agreement.    d. CONTRACTOR shall be responsible for payment of all applicable federal, state and county taxes and fees which may become due and owing by CONTRACTOR by reason of this Agreement, including but not limited to (i) income taxes, (ii) employment related fees, assessments and taxes, and (iii) general excise taxes.    e. CONTRACTOR shall be responsible for securing any and all insurance coverage for CONTRACTOR and CONTRACTOR’s employees and agents which is, or may be, required by law. CONTRACTOR shall further be responsible for payment of all premiums, costs and other liabilities associated with securing said insurance coverage.

   a. CONTRACTOR shall secure, at CONTRACTOR’s own expense, all personnel required to perform the services required by this Agreement.

   b. CONTRACTOR shall ensure that CONTRACTOR’s employees and agents are experienced and fully qualified to engage in the activities and services required under this Agreement, and that all applicable licensing and operating requirements imposed or required under federal, state and county law, and all applicable accreditation and other standards of quality generally accepted in the field of the activities of such employees and agents, are complied with and satisfied.

4. **Nondiscrimination.** No person performing work under this Agreement, including any subcontractor, employee or agent of CONTRACTOR, shall engage in any discrimination that is prohibited by any applicable federal, state or county law.

5. **Subcontracts and Assignments.** CONTRACTOR shall not assign or subcontract any of CONTRACTOR’s duties, obligations, or interests under this Agreement without the prior written consent of RCUH. Additionally, no assignment by CONTRACTOR of CONTRACTOR’s right to compensation under this Agreement shall be effective unless and until the assignment is approved in writing by RCUH, and a tax clearance is submitted by the assignee. RCUH must also approve, in writing, all other assignment or subcontract agreements entered into by CONTRACTOR’s assignees and subcontractors, prior to execution.

6. **Conflict of Interest.** CONTRACTOR represents that neither CONTRACTOR, nor any employee or agent of CONTRACTOR, presently has any interest (and promises that no such interest, direct or indirect, shall be acquired), which would or might conflict in any manner or degree with the performance of CONTRACTOR’s services under this Agreement.

7. **Modifications of Agreement.** Any modification, alteration, amendment, change, or extension to any term, provision, or condition of this Agreement shall be made only by written amendment to this Agreement, signed by CONTRACTOR and RCUH. No modification, alteration, amendment, change or extension to any term, provision, or condition of this Agreement, signed by any persons, including the University of Hawaii, shall be binding on RCUH unless signed by an authorized official of RCUH.

8. **Suspension of Agreement.** RCUH reserves the right at any time and for any reason to suspend all or any part of the performance required by this Agreement for any reasonable period, upon written notice to CONTRACTOR. Upon receipt of said notice, CONTRACTOR shall immediately comply with said notice and suspend all such work under this Agreement at the time stated.

9. **Termination of Agreement for Default.**
   a. If CONTRACTOR breaches this Agreement by failing to satisfactorily fulfill in a timely or proper manner CONTRACTOR’s obligations under this Agreement, or failing to perform any of the promises, terms, or conditions of this Agreement, and having been given reasonable notice of and opportunity to cure such default, fails to take satisfactory corrective action within the time
specified by RCUH, RCUH shall have the right to terminate this Agreement in whole or in part, by giving written notice to CONTRACTOR of such termination at least seven (7) calendar days before the effective date of such termination. In the case of a partial termination, CONTRACTOR shall continue performance of this Agreement to the extent it is not terminated.

b. CONTRACTOR shall, within four (4) weeks of the effective date of such termination (or within four (4) weeks of the scheduled expiration of the time of performance specified in this Agreement, whichever is earlier), compile and submit in an orderly manner to RCUH an accounting of the work performed up to the effective date of termination or expiration. In such event, CONTRACTOR shall be paid for the actual cost of the services rendered, but in no event more than the total compensation payable to CONTRACTOR under this Agreement.

c. As of the date of termination provided in the notice, CONTRACTOR shall incur no further obligations in connection with the terminated performance, and CONTRACTOR shall stop performance to the extent specified. CONTRACTOR shall also terminate outstanding orders and subcontracts as they relate to the terminated performance. CONTRACTOR shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated performance, subject to RCUH's approval. RCUH may choose to direct CONTRACTOR to assign CONTRACTOR's right, title, and interest under terminated orders or subcontracts to RCUH.

d. CONTRACTOR shall not be relieved of liability to RCUH for damages sustained because of any breach by CONTRACTOR of this Agreement, including but not limited to RCUH's procurement of similar goods and services in a manner and upon terms deemed appropriate by RCUH. In such an event, RCUH may retain any amounts which may be due and owing to CONTRACTOR until such time as the exact amount of damages due to RCUH from CONTRACTOR has been determined. RCUH may also set off any damages so determined against the amounts retained.

e. Upon termination of this Agreement (or upon the scheduled expiration of the time of performance specified in this Agreement, whichever is earlier), all finished and unfinished material prepared by CONTRACTOR shall, at RCUH's option, become RCUH's property and, together with all material, if any, provided to CONTRACTOR by RCUH, shall be delivered and surrendered to RCUH on or before the expiration date or date of termination. For purposes of this Agreement, "material" includes but is not limited to information, data, reports, summaries, tables, maps, charts, photographs, films, graphs, studies, recommendations, program concepts, titles, scripts, working papers, files, models, audiotapes, videotapes, computer tapes, cassettes, diskettes, documents, and records developed, prepared, or conceived by CONTRACTOR in connection with this Agreement, or furnished to CONTRACTOR by RCUH. Additionally, CONTRACTOR shall take timely, reasonable, and necessary action to protect and preserve property and materials in the possession of CONTRACTOR, in which RCUH has an interest.

10. Termination of Agreement for Convenience.

a. RCUH may terminate this Agreement without statement of cause at any time, in whole or in part, by giving written notice to CONTRACTOR of such termination at least thirty (30) calendar
days before the effective date of such termination. In the event of a partial termination, CONTRACTOR shall continue performance of this Agreement to the extent it is not terminated.

b. Upon termination of this Agreement, CONTRACTOR shall, within four (4) weeks of the effective date of such termination, compile and submit in an orderly manner to RCUH an accounting of the work performed up to the effective date of termination. In such event, CONTRACTOR shall be paid for the actual cost of the services rendered, but in no event more than the total compensation payable to CONTRACTOR under this Agreement.

c. As of the date of termination provided in the notice, CONTRACTOR shall incur no further obligations in connection with the terminated performance, and CONTRACTOR shall stop performance to the extent specified. CONTRACTOR shall also terminate outstanding orders and subcontracts as they relate to the terminated performance. CONTRACTOR shall settle the liabilities and claims arising out of the termination of subcontracts and orders connected with the terminated performance, subject to RCUH’s approval. RCUH may choose to direct CONTRACTOR to assign CONTRACTOR’s right, title, and interest under terminated orders or subcontracts to RCUH.

d. All finished and unfinished material prepared by CONTRACTOR shall, at RCUH’s option, become RCUH’s property and, together with all material, if any, provided to CONTRACTOR by RCUH, shall be delivered and surrendered to RCUH on or before the date of termination. For purposes of this Agreement, “material” includes but is not limited to any information, data, reports, summaries, tables, maps, charts, photographs, films, graphs, studies, recommendations, program concepts, titles, scripts, working papers, files, models, audiotapes, videotapes, computer tapes, cassettes, diskettes, documents, and records developed, prepared, or conceived by CONTRACTOR in connection with this Agreement, or furnished to CONTRACTOR by RCUH. Additionally, CONTRACTOR shall take timely, reasonable, and necessary action to protect and preserve property and materials in the possession of CONTRACTOR, in which RCUH has an interest.

11. **Compliance with Laws.** CONTRACTOR shall comply with all federal, state, and county laws, ordinances, codes, rules, and regulations, as the same may be amended from time to time, which in any way affect CONTRACTOR’s performance of this Agreement.

12. **Indemnification and Defense.** CONTRACTOR shall defend, indemnify, and hold harmless RCUH, the University of Hawaii, the State of Hawaii, and the Project, and their respective officers, employees, and agents from and against all liability, loss, damage, cost, and expense, including all attorneys’ fees and costs, and all claims, suits, and demands therefore, arising out of or resulting from the acts or omissions of CONTRACTOR or CONTRACTOR’s employees, officers, agents, or subcontractors, occurring during or in connection with the performance of CONTRACTOR’s services under this Agreement. The provisions of this paragraph shall remain in full force and effect notwithstanding the expiration or early termination of this Agreement.

13. **Disputes.** No dispute arising under this Agreement may be sued upon by CONTRACTOR until after CONTRACTOR’s written request to RCUH to informally resolve the dispute is rejected, or until ninety (90) days after RCUH’s receipt of CONTRACTOR’s written request, whichever occurs first.
While RCUH considers CONTRACTOR's written request, CONTRACTOR agrees to proceed diligently with the provision of services necessary to complete the scope of services described in Attachment 1.

a. All material given to or made available to CONTRACTOR by virtue of this Agreement, whether oral or written, and which is identified as proprietary or confidential information, will be safeguarded by CONTRACTOR and shall not be disclosed to any individual or organization without the prior written approval of RCUH.

a. Physical Material. The University of Hawaii shall have complete ownership of all physical material, both finished and unfinished, which is acquired, developed, prepared, or assembled by CONTRACTOR pursuant to this Agreement, unless the provisions of the Project's Prime Award (grant/contract awarded directly by the federal government), if any, requires that title to physical material vest in another party. If determined by RCUH to be necessary, CONTRACTOR and RCUH shall execute any and all documents necessary to establish the University of Hawaii or other required party as the owner of the material, without the need for any additional consideration.

b. Patenable Inventions.

i. Rights to Patenable Inventions. The rights to patentable inventions shall be determined in accordance with the provisions of the Project's Prime Award, if any. If the Prime Award is subject to the applicable regulations governing patents and inventions incorporated in 37 CFR 401, the term “subcontractor” shall be substituted for “contractor” throughout 37 CFR 401, unless the context of the clause requires otherwise. It is intended that 37 CFR 401 shall apply to CONTRACTOR in such a manner as is necessary to: (1) reflect the position of CONTRACTOR as a subcontractor to RCUH, (2) insure CONTRACTOR's rights under 37 CFR 401 and its obligations to RCUH, the Project, and the United States government, and (3) enable the Project to meet its obligations under its Prime Award. In the absence of ownership provisions in the Prime Award, or if the Project is supported by other funds, the ownership of patenable inventions developed pursuant to this Agreement will be determined under applicable U.S. law. If determined by RCUH to be necessary, CONTRACTOR and RCUH shall execute any and all documents necessary to establish the rights to the patentable inventions, without the need for any additional consideration.

ii. Licensing of Patenable Inventions. CONTRACTOR agrees to grant and hereby does grant to the University of Hawaii an irrevocable, royalty-free, non-transferable, non-exclusive right and license to use, make, have made, and distribute any patentable invention first conceived or reduced to practice in the performance of this Agreement.
c. Copyrights. The University of Hawaii shall have complete ownership of all copyright material (including but not limited to any computer software and its documentation and/or databases) that is developed or prepared by CONTRACTOR for RCUH pursuant to this Agreement, and all such material shall be considered “works-made-for-hire.” All such material shall be delivered to RCUH upon expiration or termination of this Agreement. CONTRACTOR, however, may use thereafter any ideas and techniques that may be embodied in such works. To the extent the material is not recognized as a “work-made-for-hire” as a matter of law, CONTRACTOR hereby assigns to the University of Hawaii any and all copyrights in and to the material. If determined by RCUH to be necessary, CONTRACTOR and RCUH shall execute any and all documents necessary to establish the University of Hawaii as the owner of the material, without the need for any additional consideration.

16. Publicity. CONTRACTOR shall not refer to RCUH, the University of Hawaii, the Project, or any office, agency, or officer thereof, or to the services provided pursuant to this Agreement, in any of CONTRACTOR’s brochures, advertisements, or other publicity of CONTRACTOR. All media contacts with CONTRACTOR about this Agreement shall be referred to RCUH.

17. Payment Procedures; Final Payment. All payments under this Agreement shall be made only upon (a) submission by CONTRACTOR to RCUH of original invoices specifying the amount due and certifying that services requested under this Agreement have been performed by CONTRACTOR according to this Agreement, and (b) satisfactory performance as determined by RCUH and as specified in Attachments 1, 2, and 3.

18. Tax Clearance. Final payment under this Agreement shall be subject to Section 103-53 of the Hawaii Revised Statutes, which requires a tax clearance from the Hawaii Department of Taxation and the U.S. Internal Revenue Service, stating that all delinquent taxes, if any, levied or accrued against CONTRACTOR have been paid. A tax clearance is required on final payment for agreements of $25,000 or more. In addition to obtaining a tax clearance prior to final payment, CONTRACTOR is required to obtain a tax clearance from the Hawaii Department of Taxation and the U.S. Internal Revenue Service prior to the execution of this Agreement, if $25,000 or more.

19. Governing Law. The validity of this Agreement and any of its terms and/or provisions, as well as the rights and duties of the parties to this Agreement, shall be governed by the laws of the State of Hawaii. Any action at law or in equity to enforce or interpret the provisions of this Agreement shall be brought in a state court of competent jurisdiction in Honolulu, Hawaii.

20. Notices. Any written notice required to be given by a party to this Agreement shall be (a) delivered personally, or (b) sent by United States first class mail, postage prepaid, to RCUH at its address, and to CONTRACTOR at its address, as indicated in this Agreement. A notice shall be deemed to have been received by the recipient three (3) days after mailing or at the time of actual receipt, whichever is earlier.

21. Severability. In the event that any provision of this Agreement is declared invalid or unenforceable by a court of competent jurisdiction, such invalidity or unenforceability shall not affect the validity or enforceability of the remaining terms of this Agreement, provided that the remaining terms and conditions of this Agreement remain legal and enforceable.
22. **Waiver.** The failure of RCUH to insist upon strict compliance with any term, provision or condition of this Agreement shall not constitute or be deemed to constitute a waiver or relinquishment of RCUH’s right to enforce the same in accordance with this Agreement.

23. **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same Agreement.

24. **Federal Provisions.** If federal funds are expended under this Agreement, CONTRACTOR shall comply with the applicable provisions of Attachment C.
