

UNIVERSITY OF HAWAII
CANCER CENTER

4th Annual Prostate Cancer Forum

In recognition of National Prostate Cancer Awareness Month, the University of Hawaii Cancer Center is hosting its 4th Annual Prostate Cancer Forum. The event will feature local physicians speaking about the latest treatments, breakthroughs, and strategies when dealing with prostate cancer. The event will also feature public tours of the Cancer Center as well as a question and answer session with our guest speakers.

Public can tour UHCC (pupuu served)
