

OCTOBER 18

INTELLECTUAL PROPERTY FOR ACADEMIA

IP Protection for University Inventors

What is intellectual property? How can I protect my intellectual property? What affects patentability?

USPTO Regional Director John Cabeca provides guidance to researchers, faculty, staff and students considering patent protection. John will review the different types of intellectual property, highlight the benefits of a provisional patent application, and answer questions from participants.

Open to UH
faculty, staff &
students

UH Mānoa iLab
(Building 37)

11:30am-12:30pm
