

Faculty Development Committee Brings to You:

Introduction to Disabilities

with Cassandra Kam

Thursday
4/12/18 2-214
1 PM

A student discloses to you that he or she has a disability--now what? What do you do or say? Whether this is your first time working with a student with a disability or if you need a refresher, please join us for "Introduction to Disabilities" for an overview on disabilities, relevant legislation and some helpful hints in working with students with disabilities.
