

**MALAMA 'AINA:
CAN YOU HELP
MARINE LIFE?**

TUESDAY

March 12, 2019

Loui Room, 2/201

11:30 AM-12:30PM

Guest speakers from NOAA will reveal what is really happening beneath the water's surface and share their visions of the future and your role in preservation.

ALL Classes Are Welcome!

**Discover your role
in protecting
Hawai'i's marine
environment from
NOAA's perspective.**

**Alexandra Reininger
will share her
expertise on turtle
biology.**

**Keith Kamikawa
will discuss marine
invasive and
endemic species.**
