

LET'S MAKE LESS RUBBISH

In Hawai'i, we ship our recycling overseas, and we produce more rubbish per person than in North America. We have the power to change this story.

Meet Nicole Chatterson, Director of Zero Waste O'ahu, a local organization working to build a waste-free future for Hawai'i through community engagement, policy support, zero waste pilot projects.

Wednesday, November 20, 2019

10:00 AM

Building 2, Room 201, Loui Conference Room

Open to All faculty, staff, and students.

Bring your classes!

Sponsored by Honolulu Community College's Sustainability Committee
